
Dear Parent or Guardian:

Our school district has made arrangements to acquire the GRASP program for your student this summer. GRASP is a correspondence program for grades Kindergarten through 8th grade which helps them maintain reading and math skills while they are on summer break.

Students will receive a packet of materials with a booklet containing 9 lessons. It should take your student approximately one hour to complete each weekly lesson. They can complete one lesson a week or work at their own pace, as long as they submit the lessons before August 6th. The student will mail the lessons to GRASP for scoring and they will be returned to them with comments.

There is also an on-line version of GRASP for students in 4th to 8th grade and these students will receive feedback immediately.

Children successfully completing at least 7 lessons with 70% accuracy are awarded a certificate. Those successfully completing all 9 lessons with 70% accuracy receive a medal!

Each student should order their CURRENT grade level. If there are extenuating circumstances, order the level that is appropriate for your child. The fees for the summer of 2018 are $26 for one subject or $46 for both subjects for each student. You can enroll your child by completing the form below and paying the appropriate enrollment fee. Enrollment for the online version for grades 4-8 is completed on this form, as well, and you will receive login information from GRASP via your provided e-mail address.

PLEASE RETURN THIS FORM AND PAYMENT TO LAKES NO LATER THAN MARCH 28, 2018.
All materials or login information will be sent home with your student by the last week of school.
