ALCOHOL TEST IMPLEMENTATION PROCEDURES

OPTION I

If a student is suspected of violating school rules or policies related to consumption of alcohol, the following procedures shall be implemented as closely as possible:

- Administrators may refer any case involving suspected consumption of alcohol to the police. Administrators may request the police (or district security personnel) to administer a breath-alcohol test to a student reasonably suspected of having consumed alcohol.
- An administrator shall attempt to contact a parent/guardian to request the parent/guardian to come to the school.
- If the student's observable behavior (e.g. impaired speech, impaired coordination, glazed eyes, smell or odor of alcohol on the breath) or the results of a breath-alcohol test demonstrate the student has consumed alcohol, the appropriate discipline for the infraction shall be imposed.
- The student shall be informed of his/her right of refusal to take the breathalyzer test and such refusal shall not be construed as an admission of guilt. However, police will be called.
- Students shall not be suspended from school for refusal to take the breathalyzer test. However, this will not prohibit suspension by the administration based upon observable behavior as previously defined.
- Students receiving a suspension may appeal in writing to the building principal within 24 hours regarding the disciplinary action taken. A summary of the hearing, and action taken, will be provided in writing to the student.

OPTION II

(Parent/Guardian not able to be contacted)

If a student is suspected of violating school rules or policies related to consumption of alcohol, and if the parent/guardian of the student cannot be contacted, the following procedures shall be implemented as closely as possible:

- If the student's observable behavior (e.g., impaired speech, impaired coordination, glazed eyes, smell or odor of alcohol on the breath) or the results of a breath-alcohol test demonstrate the student has consumed alcohol, the appropriate discipline for the infraction shall be imposed.
- Administrators may refer any case involving suspected consumption of alcohol to the police. Administrators may request the police (or district security personnel) to administer a breath-alcohol test to a student reasonably suspected of having consumed alcohol.
- The administrator shall explain to the student that there is reasonable suspicion the student has consumed alcohol. The basis for the reasonable suspicion shall be explained to the student.
- The student shall be advised that he/she has the opportunity to take a breath-alcohol test in order to prove the student's innocence.
- The student shall be advised of his/her right to have another person present on his/her behalf during the breath-alcohol test. If a student desires another person to be present, the administration shall attempt to obtain a person who is readily available.
- The student shall be informed of his/her right of refusal to take the breathalyzer test and such refusal shall not be construed as an admission of guilt. Police will be called.
- Students shall not be suspended from school for refusal to take the breathalyzer test. However, this shall not prohibit suspension by the administration based upon observable behavior as previously defined.

ATHLETICS

Athletic Training Code

The Rockford Public Schools provide a well-rounded program of interscholastic athletics with a wide range of voluntary athletic activities for both young men and women. To be a member of a Rockford athletic team is a privilege afforded by the Board of Education. Every privilege has a number of responsibilities; athletics is no different.

Student/athletes must develop and maintain habits of personal behavior and health, which will enable them to perform well, to minimize risk of injury and to represent themselves and Rockford in a manner which merits respect for all. Our tradition has taken years to develop. It is a constant desire to win and excel. Do nothing to detract from our PRIDE in Rockford athletics. You have a tradition to uphold and an attitude to display. We will be successful with class, style, and sportsmanship.

I. WHO/WHEN

All members of athletic teams (players, managers, trainers) are bound by the following training rules (as they apply to substance use or possession) at all times throughout the entire calendar year.

II. SUBSTANCE USE/POSSESSION VIOLATION

Athletic training rules forbid the use or possession of tobacco (in any form, including e-cigarettes), alcohol, drugs, anabolic steroids, look-alike drugs, narcotics, or any controlled substance by any student/athlete who represents Rockford High School.

A. PENALTY

1. First offense will result in immediate suspension from competition for one-third of the scheduled athletic contests in the sport the athlete is participating in, or will participate in. The suspension will carry over into the next season of competition if the student/athlete does not complete the required one-third in his/her present season.
2. Second offense will result in suspension from all athletics for a period of 12 months from the date of suspension.
3. Third offense will result in permanent barring of the student/athlete from participating in all athletics for his/her high school years.

B. SUSPENSION PROCEDURE WILL BE:

1. The student/athlete will be informed of the violation by his/her coach and/or the Athletic Director.
2. A letter will be sent to the student/athlete's parents or guardians stating the offense, penalty, and appeal procedure.
3. An appeal may be requested by the parents/guardians of the student/athlete (if adult waiver is on file) to the principal within ten days of receipt of the suspension letter.

III . CONDUCT/BEHAVIOR VIOLATION

During the school year, a student/athlete shall conduct him/herself in such a manner as to not bring discredit to the school, team or him/herself. Examples of conduct/behavior violations include, but are not limited to: vandalism, theft, insubordination, school suspension, inappropriate use of social media, etc.

A. PENALTY

1. As determined by the Head Coach and Athletic Director upon investigation.

B. SUSPENSION PROCEDURE

1. As stated above (Section II-B).

Academic Eligibility

MHSAA STANDARD: All student/athletes must pass at least 66% of credit load potential for a full-time student.

RHS STANDARDS: (GRADE 9-12) Student/athletes must pass four or five classes with a minimum of three C-'s.

Grade Checks

Grade checks will be done on all student/athletes every two weeks. Student/athletes can gain or lose eligibility with each two-week check. For student/athletes who become ineligible, a grade check will be done within the two-week period to determine the eligibility of the student/athlete.

Ineligibility

Student/athletes that do not meet the MHSAA standard at the end of a trimester (passing four classes) are ineligible to play on a Rockford athletic team for the next trimester (60 scheduled school days).

Any student/athlete that does not meet MHSAA or RHS requirements during a trimester will be ineligible for a minimum period of one week – Sunday to Sunday.

Exceptions

If the student/athlete successfully completes summer school, correspondence courses or on-line courses approved by the school, this restores eligibility as soon as the grades become part of the student/athlete's official transcript.

Special Education Waiver

Student/athletes for whom an individualized education plan (IEP) is on file at the time they would have been declared ineligible will automatically be afforded a review of their grades by a committee of the student/athlete's special education teacher, counselor, coach, and athletic administrator. This review may waive the ineligibility period if, in the committee's judgment, the student/athlete has made every effort to meet the standard. In no instance may the student/athlete be declared eligible if he/she is not meeting the minimum MHSAA standards of passing four classes.

ATTENDANCE POLICY AND PROCEDURE

Regular attendance at school is vitally important for each student as it directly affects his/her progress academically and his/her development of attitudes and habits for later life. Studies of student progress in school show a high correlation between attendance and success or absence and failure. Employers and institutions of higher education request attendance records as a part of student application data and weigh such records heavily in their decisions. While keeping records of student attendance is a school function, the primary responsibility for ensuring regular attendance at school rests with the parent and the student. At the same time, the school continually tries to teach students the value and importance of regular attendance. Through the cooperative efforts of students, parents and the school, it is hoped that each student will develop attendance habits and attitudes which will be helpful to his/her present and future endeavors. Finally, as it is sometimes impossible to make up work done in class, students and parents should be aware that any absence might adversely affect the student's progress for grades.

Students who are habitually absent and/or tardy must be reported to ISD Truancy Office by law.

Objectives

The policy and procedures regarding student attendance are designed to accomplish three primary objectives:

1. Instill a positive attitude among students relative to their school attendance responsibilities.

2. Identify and attempt to remedy situations where student absence is having an adverse effect on the student's progress.
3. Maintain an accurate record of attendance for each student, which becomes a part of the student's permanent school record.

General Procedures

1. Teachers will assist students in making up any work missed due to excused absence if such work can be made up. **Students must initiate this effort** on the day when they return to school and arrange with their teachers to complete work before or after school. Homework can be found on-line at www.rockfordschools.org or requests can be made through the attendance office if the student has been absent for **two or more days**. **Requests must be in before 9:00 A.M. on the second day of the absence**. When an absence is anticipated, students should see the teacher in advance regarding any work which will be missed.
2. Teachers will provide students with work or assignments missed due to an unexcused absence if such work can be made up. However, credit for work missed due to an unexcused absence will not be given.
3. Absence for school-sponsored events, when properly processed, carries the sanction of the school and will not be recorded on daily absence reports.
4. Staff sponsors of school activities, which take students out of class, **MUST** have a list approved by the administration of students participating - alphabetized - to all staff members at least one day prior to the event.
5. Students must be in school for three class periods in order to participate in extra-curricular activities for that day. Exceptions may be granted by the principal.
6. Tardiness to class is not allowed. Offenders may be disciplined by either the teacher or the administration.
7. Teachers are to be outside classroom doors between classes to prevent tardiness and provide supervision.

Absent Reporting Procedures- Students and Parents

If a student is to be absent from school, the parent/guardian must call the attendance office at the High School at 863-6032, or the Freshman Center at 863-6352, and leave a message on the day of the absence, giving the student's name and the reason for the absence. All absences should be cleared up within 24 hours. Excused absences are issued for reasons involving illness or other situations that the parents and the school attendance personnel feel are justifiable reasons for the student being absent. The school reserves the right to determine if the absence is excused or unexcused. The attendance office will attempt to contact a parent/guardian if no call is received. Written excuses from home will not be accepted for these absences.

**** PERMISSION TO LEAVE BUILDING -** If, for any reason, a student must leave the building, he/she must report to the attendance office and the student or office personnel will attempt to contact the parent or guardian to have him/her excused. If a student has an appointment with a doctor or dentist during the school day, the student must have a parent call the attendance office to have the time missed excused, prior to the time of the appointment. In addition, the student is to sign out in the attendance office before leaving. Failure to sign out in the office can result in an after-school detention.

Chronic Absenteeism/Truancy

Chronic Absenteeism is when students miss 10% or more scheduled school days (to date). This includes excused and unexcused absences.

Truancy is ten unexcused absences in a school year. If a student is chronically absent, truant, the following steps will be taken.

1. After five absences, a letter will be sent home.
2. If attendance issues persist, a meeting will be called between the parent, student and RHS administrator. The Kent ISD Office of Attendance and Truancy will also be notified to support our efforts. An attendance improvement plan will be established (which could include, but not limited to loss of parking pass, loss of passes out of class, loss of privileges to attend dances, sporting events). This meeting may happen at home, with the School Resource Officer, if parents fail to attend.
3. If improvement is not noted, a referral, for Truancy Action, to the Kent County Truancy officer will be made.

General Guidelines

1. Students with seven absences or more per trimester in any class is deemed to have excessive absences and may lose credit for that class.
2. Exceptions to the limit may be granted by the principal in cases of prolonged illness, hospitalization, death in the family, or family crises. The principal may refer individual cases to the building appeal board for their decision on an extension. We also ask that doctor and dental notes be turned in, as the principal can waive any days for which we have a note.
3. Students who show a repeated pattern of non-illness related absences cannot be treated in the same manner as those who have used the absences for unavoidable purposes. Some of the criteria indicating poor attitude attendance include, but are not limited to:
 - a. Frequent absences without the school being notified by parents
 - b. Leaving school early without permission
 - c. Frequent tardiness resulting in unexcused absences
 - d. Frequently missing one or two classes during the day
 - e. Missing classes on test days
 - f. Repeated outside appointments in the same class period

Parent Notification Procedure

Notification is given through "Family Access" www.rockfordschools.org

1-6 Absences

The student will receive the grade earned in the class.

7-10 Absences

The student must attain at least a 70% on the Final Exam to receive the grade earned in the class.

11+ Absences

The student will receive an "F" for the class.

Parent Reminder:

Both excused and unexcused absences count towards the student absences, however excused absence enables the student to make up the missed assignment, quiz or text for full credit

However:

If the student's final exam grade is below 70%, but the student passes the class, the student will receive a NC (No Credit) grade.

However:

If the student passes the class, the student will receive a NC (No Credit) grade for the class, however any student who scores a 78% or higher on a final exam will receive an "E", credit granted, but GPA negatively affected for the class.

11th Absence - (See "Appeal Procedure" below) Upon determination that a student under the age of 16 has a habitual attendance problem, the Kent Intermediate School District Truancy Officer will be notified.

College Visitations

Only juniors and seniors are eligible to apply for visitation days. Requests are limited to two days for juniors and two days for seniors per year. Advanced requests for absences for college visitations should be submitted five days in advance.

Appeal Procedure

Recognizing that discipline and control must be treated on an individual basis for each student, and to insure that each student is afforded sufficient due process, the District has established the following appeal procedure for any student who is being denied credit in a class due to excessive absences:

1. Parents can appeal the denial of credit to their student by contacting the assistant principal. This contact can be made either in writing or by a phone call to the assistant principal.
2. The assistant principal will seek input from the student's counselor, the student's teacher(s) of the class(es) where credit is being denied, and the high school principal before rendering a decision to reestablish credit.

BACKPACKS

No backpacks are to be carried during the school day unless permission by main office.

BULLYING

Our policies on bullying directly reflect that of Matt's Safe School Law (2012). A student will not engage in bullying any student for any reason in a classroom, elsewhere on school premises, on a school bus or other school related vehicle, or at a school sponsored activity or event whether or not it is held on school premises. "At school" includes conduct using telecommunications access device or telecommunications service provider that occurs off school premises if the telecommunications access device or the telecommunications service provider is owned by or under the control of the school district or public school academy. "Telecommunications access device" and "telecommunications service provider" mean those terms as defined in section 219a of the Michigan Penal code, 1931 PA 328, MCL 750.21a "Bullying" means any written, verbal, or physical act, or any electronic communication that is intended or that a reasonable person would know is likely to harm one or more pupils either directly or indirectly by doing any of the following.

- Substantially interfering with education opportunities, benefits, or programs of one (1) or more pupils.
- Adversely affecting the ability of a pupil to participation in or benefit from the schools district's or public school's education programs or activities by placing the pupil in reasonable fear of physical harm or by causing substantial emotional distress.
- Having an actual and substantial detrimental effect on a pupil's physical or mental health.
- Causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Anyone wanting to report an act of bulling can find a link to the report form on the school's website under the Announcements and Information section.

Students that do not adhere to our high standards of behavior will be subject to the consequences of the student code of conduct.

BUS REGULATIONS

The buses are operated for your convenience and safety. The major consideration in making regulations for those who ride is the safety of all. We want all students to be happy and comfortable while riding. In order to meet these objectives, the following requirements must be observed while riding a bus to and from school, and during any extra-curricular activities:

- The driver is in complete command of the bus at all times. The driver's orders are to be respected and followed completely at all times. If there is a misunderstanding at any time, the matter should be brought to the attention of the principal.
- Students living within the Rockford School District may be required to walk not more than one mile to the bus stop.
- Once routes are established, the buses will always be within five minutes either way of the published pickup time on the route. Students are to be waiting at their assigned places on time. Except in extreme cases, buses will not wait for students.
- After boarding a bus, the student will not be allowed to get off prior to arrival at school or home, whatever the case may be. A student will be allowed to get off at another place only if the student presents a note signed by the parent and principal. Students are allowed off the bus for events held at other school buildings (sports practice, etc.).
- No student will be permitted to ride a different bus without a bus note from the school principal. In order to obtain a bus note, the student(s) involved must each bring a note signed by a parent stating the reason the student needs to ride a different bus. BUS NOTES WILL ONLY BE ALLOWED FOR FAMILY EMERGENCIES at the secondary level.
- While awaiting the bus at school, students should wait until the bus comes to a full stop before moving toward it.
- Board the bus with care, go directly to a seat, sit down, and remain in that seat until it is time to get off.
- While on the bus:
 - Be reasonably quiet
 - Do not take other student's property or indulge in hitting or horseplay with other students
 - Remain in your seat at all times
 - No food or beverages are to be consumed on the bus
- When you get off the bus and have to cross to the other side of the street, cross in front of the bus. Students crossing the street MUST look at the driver/crossing paddle and in both directions of the road before proceeding across the road.
- Students who persist in breaking any of these rules, or who make themselves general nuisances endangering people's lives by distracting the driver, will be refused the privilege of riding the bus. Such cases will be handled through the principal's office.
- Make your bus the best one in the fleet by cooperating with the driver and being thoughtful and courteous to other students.

Student Conduct Report (follow School Board Policy)

- 1st Notice: Warning- student may receive an assigned seat for five days
- 2nd Notice: Student may be suspended from the bus for five days
- 3rd Notice: Student may be suspended from the bus for ten days
- 4th Notice: Student may be suspended from the bus for 30 days

Any further incidents resulting in a bus conduct report may result in a suspension of bus riding privileges for the remainder of the school year.

CHANGE OF ADDRESS/STUDENT INFORMATION

If your last name, street address, telephone number, or emergency number changes during the school year, please notify the attendance, counseling or main office immediately. This is very important in keeping our records up-to-date and also in being able to contact a parent/guardian in case of an emergency.

CLOSED CAMPUS

All students will be under the "Closed Campus" concept. This means that students are to remain in the school building and designated areas from the time they first set foot on school property in the morning until the time they board transportation to leave at the end of the day. Only those students attending the Kent Career/Technical Center and approved co-op activities will be the exception to the closed campus regulation. Failure to comply with this policy will result in the student being assigned an After-School Detention or an Out-of-School Suspension.

CLUBS AND ACTIVITIES

Club and Activity information is located online at: www.rockfordschools.org.

COLLEGE CREDIT OPPORTUNITIES

There are opportunities for students to earn college credit during high school:

Early College – Courses taught at RHS in which students earn college credit. Information is available at a spring meeting each year, or through a high school counselor.

Articulation – RHS courses which transfer for college credit. See the RHS course book or a counselor.

Advanced Placement – Students may take the AP courses at RHS and achieve a qualifying score on the AP exam to earn college credit.

Dual Enrollment – A student wishing to take a course in an area of career interest not offered at RHS or online, may be able to enroll in a college course. See a high school counselor for details.

COMPETENCY TEST

All Rockford students must take and score at a Level 4 or above on the WorkKeys assessments. Testing is given once in the 9th grade and again in the 11th grade, both in the spring of the school year. These competency tests are required by the Board of Education to receive a Rockford High School diploma. The WorkKeys test measures real-world skills and career readiness. For more information about this, go to: www.Act.org/WorkKeys/index.html.

WORKKEYS: RHS graduates must earn a Platinum, Silver or Gold Career Readiness Certificate on the three subtests of the ACT WorkKeys test. This is a requirement for the RHS Guaranteed Diploma.

CUMULATIVE RECORDS

Permanent record folders are kept on file for each student who attends Rockford High School. They may contain such things as the subjects taken and the grades received; the attendance record; health record; teachers' remarks and appraisals of work; records of

the various schools attended; aptitude, preference, and mental maturity test records; records or copies of any exceptionally fine work done; birth record; your ambitions and plans from year-to-year; causes for failures if you have had any; correspondence concerning school work; and any other pertinent information about you. It should be remembered by the student that employers, colleges, and others request information kept in these files for the acceptance of the student for a job, or to attend higher education institutions. They are always interested in academic proficiency and the attendance record of the student, especially in regard to unexcused absences and tardiness. Of course, it is to a student's advantage to build as fine a record as possible, not only for what may go in a file, but also for the building of the person you hope to be. No transcripts can be sent without a signed Consent to Release Records from parent/guardian or student over 18 years of age.

CURRICULUM

Rockford High School offers a comprehensive academic curriculum which includes a regional tech center, internships and co-op work study for seniors and juniors, honors classes in English, Math, and Science; Advanced Placement in History (2), English (2), Math (3), Science (3), German, Spanish, Government, and Art; and extensive Technology classes. Rockford High School students may also enroll in college courses offered locally. RHS students enrolled in 84 college courses in 2015-16. Online courses are offered locally and at the Kent Intermediate School District (KISD). The KISD also has broad technical and academic offerings and a school for the county's students to take core courses in a high-tech, collaborative environment.

DANCES

- Students who attend our high school may attend our dances. Middle school students cannot attend high school dances, nor can high school students attend middle school dances.
- After-game dances are for Rockford High School students only. No guests.
- Semi-formal dances allow high school guests with prior approval from administration. Guests over the age of 20 are not allowed.
- All dance styles must comply with standards of modesty and safety. Dance supervisors in attendance will be the final judges of the appropriateness of dance styles. Inappropriate dancing includes, but is not limited to, the following: slam dancing, moshing, and any dancing that has sexual innuendos.
- Gentlemen are expected to keep their dress shirts on. Dancing with a tank top or a vest alone will not be permitted.

DIVERSITY

The Rockford Public Schools district fosters respect and understanding among all cultures and individuals who learn and work in our school community. We are committed to a philosophy that draws strength from our differences and builds on our similarities in order to:

- Create a positive learning environment free of bigotry and prejudice in which all students can learn free of intimidation, harassment, bullying, or prejudice directed at them or others.
- Empower all people to reach their full potential.
- Promote respect and dignity toward all persons.
- Prepare students to function effectively in a multiethnic and multicultural society.

Everyone in the Rockford Public Schools district has a right to feel respected, safe, and valued.

DRESS CODE

Students are expected to dress neatly and modestly at all times. The dress code is not an issue of morality or decency, but a policy to promote a safe and orderly learning environment. Students are to reflect a positive, businesslike, learning environment.

Students who are not in compliance, and are wearing attire that could possibly cause disruption, must immediately correct the problem (change into something appropriate) or they will be sent home. Parents will be called to provide proper attire if the student is unable to find proper clothing at school. Students who are uncooperative or repeatedly violate the dress code policy are subject to disciplinary action under the Student Code of Conduct.

Inappropriate clothing for school includes, but is not limited to:

- Halter tops, Tank tops or dresses
- Undergarments should not be visible at any time.
- Clothing with spaghetti straps
- Clothing that exposes the midriff
- Clothing with holes
- Short shorts (inseams must be a minimum four inches)
- Pajamas
- Hats or head coverings
- Spiked jewelry
- Chains (unless functionally attached to a wallet)
- Clothing that promotes tobacco, alcohol, or drugs
- Clothing that depicts violence, hatred, racism, Satanism, sexually suggestive messages, or is gang-related
- Short skirts (mid-thigh as worn)
- Sagging pants

Since it is difficult to predict in advance what the inappropriate dress will be, guidelines will be communicated to students at various times throughout the school year if necessary. Students will be asked to change if an item is deemed inappropriate by a staff member. Also, state law requires that footwear be worn at all times.

ELECTRONIC DEVICES

Rockford Public Schools is not responsible for electronic devices that are brought to school. Students are encouraged to keep these devices at home. Personal electronic devices can enhance the educational experience for our students. However, personal electronic devices can also be detrimental to the learning environment. As a school district, we need to address and embrace the opportunities these devices bring, which is anywhere/anytime learning, but also safeguard the learning environment. In summary, those that bring an electronic device are encouraged to use them for educational purposes in a safe and reasonable manner.

Guidelines for Student Usage of Electronic Devices

1. All electronic devices, including, but not limited to, cell phones, smart phones, table PCs, mobile presenters, wireless tablets, digital recorders, iPods, MP3 players, texting calculators, video/audio devices, digital cameras or laptops, are not to be used during class unless the teacher authorizes usage for a class-related purpose.
 - In particular, cell phones are to be turned off (not in the vibrate mode) and are not to be used during class time.
 - If the teacher gives permission for the use of a personal computer and/or digital recorder for note-taking, that is the sole purpose to which these devices should be used.
 - Personal electronic devices may be subject to search.
 - Examples of appropriate class-related purposes include, but are not limited to, accessing online text books, viewing Student Access, and use of calendar planner for academic organizations.
2. The use of any electronic devices during testing or exams, other than those sanctioned by the teacher in charge of the testing, is strictly prohibited. During the testing session, electronic devices are to be turned off and stored in a case, book bag, or purse, and may not be in the possession of the student during testing.
3. At no time may electronic devices be used in restrooms or locker rooms.
4. Students may access the internet, utilizing their own data plans (non-District portals), during class for only teacher-authorized, class-related purposes.
5. Students with disabilities or exceptional needs, who require electronic devices for their day-to-day functioning in the classroom, are to coordinate the use of electronics with their teacher, counselor, parent, and/or administration.
6. Any activity related to compromising the integrity of the District network will result in disciplinary actions.
7. Students may use electronic devices (not attached to the District's network) during the following time periods:
 - High School - Students may use electronic devices before school, after school, during breaks, or when directed to do so by the teacher.
8. Inappropriate use of electronic devices can carry over into the other portions of the student code of conduct, such as harassment, threatening statements, etc. As a result, the code of conduct for each of these areas will be enforced.

EMERGENCY PROCEDURES

Code Red

Code Red is our procedure for a coordinated response to a potentially life-threatening situation in one of our buildings. When students hear the announcement of Code Red, they are to follow the directions of the staff. If a student is out in the hall, he/she should go to the nearest classroom. Students in the restrooms should remain there until given directions. The Code Red procedure will be practiced at least once each school year.

Fire Drills

When the fire alarm is activated, students will follow the direction of the staff. They will move as quickly as possible out of the building and remain together as a class. Teachers will instruct students to the safest exit route. Staff will close classroom doors and turn out lights after everyone has exited the classroom. Teachers will remain with their class. Once outside, teachers are to take roll and advise administration or security if any students are missing. Once the all-clear is given, return to classroom.

Tornado Instructions

If there is a "Tornado Watch" or "Warning", students will be sheltered at school in designated areas as posted throughout the building.

FIELD TRIPS

Prior to a student going on a field trip, a parent/guardian must have given electronic approval on family access. Without electronic approval, the student will not be allowed to leave the school. Parents/guardians will be notified prior to all field trips. Students on a field trip must take Board of Education approved transportation with school personnel supervision, unless transported by a parent or guardian.

FINAL EXAMS

All students must take final examinations in all classes when they are given. The grade is averaged along with the progress report grade to determine the final trimester grade. Seniors taking mixed level classes may be required to take the exam with the class. Seniors with a "B" average or better and no unexcused absences or suspensions based on each class hour, with permission from teachers, may be allowed to waive 3rd trimester final exams.

GRADES

Students are generally graded on the following basis:

- A Does a very superior quality of work
- B Does a good quality of work
- C Does average work
- D Generally does less than minimum requirements
- E Completed less than minimum classroom requirements, but demonstrated mastery (C+ or better) on final exam
- F Always does less than minimum requirements
- NC No grade or credit given
- CR Credit only
- I Incomplete - An incomplete grade is given to any student who, due to extended absences, does not complete the required work prior to the end of a marking period. All incompletes must be made up within one week from the conclusion of the trimester (only extenuating circumstances will be allowed). Plus or minus grades are used for the purpose of having more flexibility in the grading system, and will be used in computing academic averages.

Grading Scale for Class Rank calculation:

A = 4.0 A- = 3.7 B+ = 3.3 B = 3.0 B- = 2.7 C+ = 2.3 C = 2.0 C- = 1.7
 D+ = 1.3 D = 1.0 D- = 0.7 E = 0.0 with credit by exam F = 0.0 with no credit
 I = Incomplete CR = Credit not in GPA NC = No Credit not in GPA

Weighted grades for Honors and AP courses are used for GPA and class rank (A = 5.0, B = 4.0, etc.).

Class rank is calculated at the end of each trimester. All grades for all classes for all students are used in calculating rank.

GRADUATION REQUIREMENTS

RHS graduation requirements align with Michigan Merit Curriculum legislation, and go beyond with local requirements. RHS is the only high school in the State of Michigan which awards a guaranteed diploma: if any RHS grad is determined by an employer to be less than proficient in Reading, Mathematics, or Locating Information, RHS will provide the graduate with instruction to bring him/her to a proficient level.

GUIDANCE SERVICES/COUNSELING

General Procedures

Counseling services are available to assist students with academic matters, personal problems, social issues, career choices, college selection, and scholarship applications. Students may see a counselor by making an appointment in the Counseling Office with the receptionist. Counselors monitor student academic progress and assist in post-high school planning in a variety of ways individually and in the classroom setting. Academic performance, career interest evaluations, student involvements, and work experiences are utilized in the process. Counselors have an alphabetical caseload of students, keeping the same students for their grade 10-12 years. This way the student, parent, and counselor can develop a working relationship. This also insures that services are delivered to every student. Counselor caseloads are posted in the guidance office. Please check for your assigned counselor. Counselors are listed below:

Freshman Center

Ms. Deb Gibson and Tara Holwerda

High School

Ms. Rachel Eldersveld, , Mr. Ken Parker, Tara Holwerda, Mrs. Sarah Young, and Jonathan Taylor

HOMEWORK POLICY

We believe that homework is an integral part of the educational process that reinforces and enhances learning. Teachers, students and parents need to cooperate to make homework a valuable experience. The following guidelines will help make learning more successful.

Homework for most classes can be found at: [Student Access and/or Family Access @ www.rockfordschools.org](http://www.rockfordschools.org).

Teacher Responsibilities

1. Provide the students and parents with a written communication of the teacher's policies on homework, including how homework affects the final grade.
2. Assign homework that enhances learning.
3. Demonstrate study skills applicable to the class.
4. Provide opportunity for students to receive feedback on homework.

Student Responsibilities

1. Complete homework as assigned.
2. Complete own work utilizing necessary resources.
3. Manage time to complete work.
4. Understand what their assignment is. (Ask questions!)
5. Have necessary materials to complete homework.

Parent Responsibility

1. Establish homework as a family priority.
2. Provide a quiet study place in the home.
3. Help the child to schedule a regular study session.
4. Provide assistance and encouragement.
5. Monitor homework performance and insure completion of daily assignment.
6. Notify the teacher if persistent problems or difficulties are noticed during study times at home.

Homework Definition

1. Teachers are reminded that homework is not busywork. Homework is that activity which is assigned to be done at home to reinforce and/or extend learning.
2. Homework is that work assigned but not completed during the allotted school time. This work usually is expected to be completed at home and returned the day following its assignment or when it is due.
3. Reinforcement work specifically assigned for completion at home.
4. Special projects and reports which require added efforts at home.
5. Study required in preparation for tests and/or class work.
6. Independent reading.
7. Read aloud activity for elementary students.

Purposes of Homework

1. Extend classroom learning.
2. Provide reinforcement for in-school learning.
3. Assist students in developing study skills
4. Encourage student self-discipline.
5. Provide a link between school and home.
6. Provide opportunity for the teacher to check student mastery of material.

Homework Guidelines

Grade Level	Time Suggested
7 and 8	60 - 80 minutes per night
9 - 12	75 - 120 minutes per night

The above figures are approximations. These figures may vary according to an individual student's test schedules, reports due, etc. Incomplete Assignments: Teachers are expected to provide a written policy statement to all parents at the beginning of each school year, which outlines procedures, expectations, and policies for missing, incomplete, or unacceptable homework.

HONOR ROLL

To be eligible for the Honor Roll, a student must have a 3.0 GPA in a minimum of four letter grades (or three letter grades plus CR) with no failing grades (E or F).

IDENTIFICATION CARDS

All students will receive a multi-use ID card. This card, in addition to being an ID card, can be used as a lunch debit card and a library card. Every student should have his/her identification card in his/her possession while on campus or while attending school functions. Any student who does not have an identification card should see the secretary in the Food Service office. A \$3.00 replacement fee may be charged. As its name indicates, an identification card is for the purpose of identifying the holder of the card - in this case you, the student. On occasion, you may be asked to show your identification to a staff member or security personnel and failure to do so will constitute a violation of the discipline code and may result in disciplinary action.

ILLNESS IN SCHOOL

Students who become ill at school and do not report to class must immediately report to the attendance office. Freshman students please report to the main office or health room. The student will be attended to and a parent/guardian will be contacted by phone. Any student who becomes ill at school and does not report to the attendance office prior to leaving school will be held to the truancy policy.

KENT CAREER / TECHNICAL CENTER

Attendance Policy

The Rockford High School attendance policy is in effect for all Rockford High School students that attend Kent Career/Technical Center (KCTC).

Driving Policy

Rockford High School provides bus transportation to and from KCTC. Only students who get pre-approved parking permits from KCTC are allowed to drive to KCTC. Students who drive that develop poor attendance records are subject to having their permits revoked. Students who have approved parking permits to KCTC may transport themselves only. **2nd session** students who have classes at RHS before and after their classes at KCTC are required to ride school transportation (except with Administrator approval).

Suspension Policy

Students suspended from Rockford High School will also be suspended from KCTC (unless administrative approval is given to attend).

LUNCH/ BREAKFAST PROGRAM

The school food service program provides a planned, well-balanced menu featuring a main dish and ala carte items daily, including a fast food line. All of the serving lines are computerized and a debt account can be set up for each student and money may be deposited in this account any time during the three lunch periods. Students will be able to use this money for food items only and any refund of money in accounts will be sent by check upon request of the parent/guardian. Students must remain in the cafeteria or other designated areas during lunch/breakfast. Students are not to be in the academic or athletic wing during lunch periods. All food or beverages must be consumed in the cafeteria area.

MEDICATION PROCEDURES

- Students may not possess medications in school, except in the case of emergency, such as inhalers or epi-pens.
- Parents must submit a medication permission form to the nurse's office.
- No medications will be administered to a student without written permission from the parent/guardian.
- All medications must be brought to and from school by the parent/guardian.
- All medications must be in the original container and the label must include the student's name, doctor, medication, and dosage.
- Any changes in the type of drug, dosage, or time of administration should be accompanied by a new physician and parent permission signature.
- All medication must be stored in the nurse's office.
- In cases where a deviation is necessary (inhaler, epi-pen), arrangements and procedures will be coordinated by the school principal in consultation with the school nurse.
- Unused medications must be claimed by the parents at the end of the school year, or they will be discarded.
- Secondary students participating in after school or away events may self-administer *non-prescription* medication provided all rules/regulations for After School Hours/Out of District are followed, including:
 - Prior written permission from the parent and administrator is obtained;

MME (Michigan Merit Exam)

. The MME consists of the SAT college entrance exam, the WorkKeys exam, and State of Michigan tests known as M-STEP. The MME is given to all high school juniors in the state beginning in April. The MME will be used to determine whether students are meeting or exceeding the Michigan Curriculum Standards. Students will also be able to submit their SAT test score for admission to colleges and universities. For more information regarding the MME, visit: www.michigan.gov/mme. For information regarding the SAT, visit: www.collegeboard.org. WorkKeys information can be found at: www.act.org/products/workforce-act-workkeys

MONEY AND VALUABLE ARTICLES

Rockford High Schools are not responsible for items not locked up. Use lockers in the hall or PE locker rooms to protect all valuables. Rockford Public Schools encourages students to not bring valuables to school. Please do not bring large amounts of money to school. All valuable articles should be in possession of the owner at all times. The school cannot accept responsibility for stolen money or other articles, including iPods, MP3 players, cell phones, etc.

PARENT-TEACHER CONFERENCES

Parent-Teacher Conferences are planned for the fall, winter, and spring of each school year. Teachers will be available to meet with parents to discuss student progress. Please feel free to contact your student's teachers at any time during the year. A schedule of conference dates and times may be announced through Family Access, the school website, various school newsletters and the local media.

PARKING GUIDELINES

PARKING ON SCHOOL PROPERTY IS A PRIVILEGE, NOT A RIGHT

1. Parking permits are **required** to park at Rockford High School and are purchased every year. Students may park their vehicles in the lot designated. Seniors may park in the senior lot, tennis lot, or underclassmen lot. All juniors, sophomores, and freshman will park in the underclassmen lot, which is the largest lot east of the athletic entrance that borders the Freshman Center.
2. Parking permit costs per school year are as follows: \$15 for first permit. If you have multiple students that drive to Rockford High School, each additional permit is \$10. If your sticker is lost, stolen, or is on a vehicle that is in an accident or replacement during the school year there will be no cost for replacement
3. All permits must be **displayed on the backside of the inside rear view mirror**. Parking sticker must be visible. (If you are unsure of this location, see any security officer and he/she will assist you.)
4. **If you are driving a vehicle other than your currently-registered vehicle, you must sign it in at the main office upon arriving to school.**
5. Vehicle must be parked between the painted lines, and must be driven under the speed limit of 10 miles per hour while in the lots. Vehicles must be driven safely and must yield to pedestrians. Students parking outside the painted lines or designated parking spots may be ticketed, disciplined, or vehicle towed at the discretion of the school, at the vehicle owner's expense. Students caught driving recklessly in the parking lot will be subject to disciplinary action.
6. The staff lot is for school staff, personnel, and visitors designated by administration. This lot **MAY NOT** be used by students at any time. Student vehicles parked in these lots may be ticketed or towed at the discretion of administration.
7. The school is not responsible for student vehicles, damage to vehicles, any possessions left in them, or anything attached to the vehicles. **STUDENTS PARK THEIR VEHICLES ON OR NEAR SCHOOL PROPERTY AT THEIR OWN RISK.** Students should be aware their vehicles are not protected in any way while in the parking lot, and items of value should not be left in or near the vehicle while unattended.
8. Students have no reasonable expectation of privacy in vehicles parked on school grounds. School lots are regularly searched by contraband dogs, administration, and police officers. Students should be aware that items and spaces on school grounds are subject to view by others. Based on the reasonable suspicion standard, vehicles parked on school grounds may be subject to search. Prohibited items discovered during the course of a search may result in student discipline, including, but not limited to, expulsion from school, as well as referral to law enforcement.
9. Discipline for parking violations or misconduct includes all disciplinary measures in the Student Discipline code and/or withdrawal of parking privileges.

REPORTING AGENCIES

SILENT OBSERVER/OK2SAY INFORMATION

Goals

The goals of these programs is to make the environment in the Middle and High Schools safer by providing an avenue to anonymously report the presence of dangerous weapons, drugs, major thefts, and damage of property within or upon school property; and to give students the opportunity to empower themselves by stopping crime from occurring.

Reporting Procedure

Parties reporting information are to utilize either OK2SAY or Silent Observer at the number below. The caller is to provide the necessary information to OK2SAY or Silent Observer staff.

- OK2SAY – text 65279 – migov/ok2say
- SILENT OBSERVER - 616.773.2345 – silentobserver.com

All tips will be investigated by school and/or police. As a caller or tipster you may never know the outcome of the investigations.

SALES AND SOLICITATIONS

All sales and solicitations within the school or school grounds by individuals or groups must have the approval of an administrator. All school club or group fundraisers must have previously completed the fund raising request form and received administration approval. A student may not sell any item(s) to school personnel or another student for individual profit.

SEXUAL HARASSMENT POLICY

Policy Statement

The Rockford Public Schools' sexual harassment policy prohibits sexual harassment of students and staff. Sexual harassment of students disrupts the educational process and interferes with the District's commitment to provide a stable learning environment to its students. All students are expected to conduct themselves with respect for the dignity of others. The Rockford Public Schools, because of its desire to prevent and prohibit sexual harassment of its students and staff, adopts this policy to give notice that sexual harassment of students and staff is wrong and will not be tolerated by the District.

Definition of Sexual Harassment

Sexual harassment includes, but is not limited to, any unwelcome or unwanted sexual advances, requests for sexual favors, or other verbal, written, or physical conduct of a sexual nature that is unwanted by, or unwelcome to, the student, and/or has the purpose or effect of substantially interfering with a student's educational environment. Such conduct or communications may be illegal and will subject the harassing student to appropriate corrective action, including discipline, when such conduct or communication has the purpose or effect of substantially interfering with the other student's education or creates an intimidating, hostile, or offensive educational environment. Sexual harassment of students may take many forms. Examples of conduct prohibited by this policy include, but are not limited to, the following:

1. Verbal harassment or abuse of a sexual nature.
2. Pressure for sexual activity.
3. Repeated remarks with sexual or demeaning implication to students.
4. Unwelcome touching of a sexual nature.
5. Suggestions or demands of sexual involvement that are accompanied by implicit or explicit threats.
6. Sexual name calling, gestures, jokes, and spreading sexual rumors about students.

Reports of Sexual Harassment

The District encourages any student who believes he/she has been subjected to sexual harassment to report his/her concerns directly to any building principal or counselor (they will also explain the complaint procedure). Complaints or reports of sexual harassment shall be handled as confidentially as possible. However, in certain circumstances, the District may be required by the Child Protection Law to report child sexual abuse to the Department of Social Services or other designated law enforcement agency. All reports or complaints of sexual harassment will be promptly investigated by appropriate District representatives. Any student who violates this policy will be subject to appropriate corrective action, including suspension or expulsion. The District prohibits retaliation against students who file or make such complaints. Filing of a complaint or otherwise reporting sexual harassment will not reflect upon an individual's status, nor will it affect a student's grades or work assignments. However, the District will take appropriate action if it finds that a student has deliberately filed a false complaint.

STUDENT ASSISTANCE PROGRAM

A K-12 Student Assistance Program, based within the school, provides a means for schools to continue quality education in the classroom while providing a mechanism for addressing high-risk behaviors in youth that interfere with their academic and/or social development. The objective of such a program is to assist, identify, refer, and follow-up with students experiencing, or at high risk for, problems, depression, suicide, incest, family violence, family problems, or health-related issues. The Program links school systems

with local networks or community agencies and resources in providing appropriate assistance to students. If in need of these services, contact your counselor.

Action Steps for Students

There is much students can do to help create safe schools. Talk to your teachers, parents, and counselors to find out how you can get involved and do your part to make your school safe. Here are some ideas that students have tried:

- Listen to your friends if they share troubling feelings or thoughts. Encourage them to get help from a trusted adult, such as a school psychologist, counselor, social worker, leader from the faith community, or other professional. If you are very concerned, seek help for them. Share your concerns with your parents.
- Work with local businesses and community groups to organize youth-oriented activities that help young people think of ways to prevent school and community violence. Share your ideas for how these community groups and businesses can support your efforts.
- Participate in violence prevention programs such as peer mediation and conflict resolution. Employ your new skills in other settings, such as the home, neighborhood, and community.
- Work with your teachers and administrators to create a safe process for reporting threats, intimidation, weapon possession, drug selling, gang activity, graffiti, and vandalism. Use the process.
- Help to develop and participate in activities that promote student understanding of differences and that respect the rights of all.
- Volunteer to be a mentor for younger students and/or provide tutoring to your peers.
- Know your school's code of conduct and model responsible behavior. Avoid being part of a crowd when fights break out. Refrain from teasing, bullying, and intimidating peers.
- Be a role model - take personal responsibility by reacting to anger without physically or verbally harming others.
- Seek help from your parents or a trusted adult, such as a school psychologist, social worker, counselor, or teacher if you are experiencing intense feelings of anger, fear, anxiety, or depression.

Tips for Parents

Parents can help create safe schools. Here are some ideas that parents have tried:

- Discuss the school's discipline policy with your child. Show your support for the rules and help your child understand the reasons for them.
- Involve your child in setting rules for appropriate behavior at home.

STUDENT RECOGNITION

Each month students can be nominated by their teachers for outstanding effort, a job well done, or substantial improvement in a class. Nominees will have pictures posted in a showcase and receive a certificate of recognition.

SUSPENSIONS

Any student who receives a suspension will be allowed to make up the work for credit at a maximum of two times per semester. No credit will be given if further suspensions are given during the semester. Students under suspension may not attend any school related activities.

School Detentions

This practice can be implemented by teachers or administrators as a form of discipline correction. Supervised detention may be assigned after school. Parents will be notified when detention is assigned. Students are required to report for detention with school work. Transportation to detention and home from detention is the responsibility of the student and parent. Failure to report for assigned detentions may result in additional after school detentions. Alternatives to the detention can be arranged if parent contact is made with the assistant principal.

After-School Detentions

After-school detentions assigned by administrators for violations of truancy and other minor disciplinary infractions are typically held from 2:36-4:00 P.M. on Wednesdays. Those students who choose not to attend the after-school detention will be suspended out of school the next day with "No Credit".

Snap Suspension

In accordance with State law and Rockford Board of Education policy, snap suspensions may be issued by Rockford Public School teachers in accordance with the following definitions, policies, and procedures. A teacher is authorized to immediately remove and suspend a student from a class, subject, or activity for up to one day for violation of the following inappropriate behaviors as defined by the student discipline code of conduct: 1) harassment/bullying and/or sexual harassment; 2) profanity/obscenity; 3) insubordination/insolence; 4) gross misbehavior. Note: All other violations of school policy should be referred to school administration.

Snap Suspension Procedure

1. The teacher must complete a snap suspension referral form to inform administration of the suspension before the end of the class, subject, or activity.
2. The teacher must send the student being suspended (with an escort) to the office as soon as the student is removed from the class.
3. The teacher will contact the parent/guardian of the student by phone by the end of the day, or in writing within two school days, to request that the parent/guardian attend a conference to discuss the student's inappropriate behavior. An administrator will be present at the conference if requested. The school counselor, psychologist, or social worker shall also attend this meeting if requested by the parent/guardian or school.
4. The student shall not be returned to the classroom that day unless the teacher and administrator agree it is appropriate.
5. The teacher will maintain written documentation of the snap suspension and place a copy in the student's discipline file.

Out-of-School Suspension

Out-of-school suspensions will result for serious misconduct and/or as part of the progressive disciplinary action to help students modify unacceptable behavior(s) when it appears other measures are ineffective. Exclusion from school-related activities will occur until the student returns from suspension. Homework will be made available.

Appeal Procedure

Students receiving a suspension may appeal in writing to the building principal within 24 hours regarding the suspension. A summary of the hearing and action taken will be provided in writing to the student.

Expulsion Procedure

Students who are guilty of continued serious misconduct according to Board Policy may be recommended to the Board of Education for expulsion from all schools in the District, according to the following conditions:

1. The principal of the school with his/her staff shall exhaust all means of bringing about a correction in the misconduct and shall have brought the case before the Superintendent or the Superintendent's delegate.
2. Juvenile authorities and law enforcement agencies shall have been consulted if they are involved.
3. Parents shall have been consulted freely and all possible support from them shall have been secured.
4. The assistant principal, or his/her delegate, shall suspend the student until the time of the next Board meeting, at which time the student's name will be presented to the Superintendent and hence to the Board of Education with a recommendation.
5. The Board of Education will arrange for a review of the case at a closed session with the parents and the principal, and other parties involved and expulsion will be determined by the Board of Education.
6. A complete written record of each case is to be kept and submitted to the Board of Education 48 hours in advance of the Board of Education meeting when this hearing will be held.
7. Expulsion means that the student's relationship with the Rockford Public Schools is terminated. This includes access to school property and school-related events

Reinstatement of the Student - Request

1. Reinstatement following the expulsion can only be granted formally by the Rockford Board of Education, if a formal application for reinstatement is submitted. Requests for reinstatement must be directed to the Assistant Superintendent of Instruction.

2. A reinstatement hearing will be held within 10 school days after receiving the formal application for reinstatement.
3. The Board of Education, after hearing from the parent, student and administrator, will reach a decision whether to reinstate the student or reject reinstatement.
4. Once a decision is made by the Board of Education, the process is complete. If the decision was made to reinstate the student, the administrator will decide on proper placement, educational program and possible behavior plan.

TARDINESS

All students with excused, pre-arranged (doctor, dental, etc.) tardies to school must report to the attendance office upon arrival at school. **Excused calls must be received before student's arrival at school.** All students arriving after 8:00 A.M. must report to the attendance office.

Tardy Policy

1. Students will be allowed **two free tardies for each class** each trimester. Teachers will record tardies and keep track of accumulated tardies.
2. On the **third tardy**, the teacher will contact the student's parents and assign a 30-minute after-school detention to be served with the teacher.
3. The **fourth, fifth, sixth, and all successive tardies** will result in an after-school detention assigned by the principal. A behavior referral will be completed by the teacher.
4. On the **seventh tardy**, the principal will schedule a meeting with the student, the student's parent and the student's teacher. The student will not be allowed to return to class until this meeting takes place.
5. On the **eighth tardy**, the student's driving privileges on school grounds will be revoked for the rest of the trimester.

The following is a partial list of what are considered unexcused tardies:

- Oversleeping or the alarm not going off.
- Missing the bus.
- Car problems of any kind. A bus is provided for your transportation. If you choose to drive or ride with someone else, be prepared to be unexcused for vehicle breakdowns.
- Bad road conditions, unless the administration excuses you. Again, if you choose to drive yourself or ride with someone else, give yourself enough time to arrive to school on time and safely.
- Riding with another student who forgets to pick you up. It is your responsibility to get to school on time, not someone else's.

Tardiness Between Classes

If a teacher has detained you and made you tardy to your next class, that teacher will give you a slip that will admit you to the class without penalty. If, however, you are tardy for any other reason, you must account to the teacher to whose class you are tardy, and that teacher will admit you or penalize you as the case may warrant. **No tardy slip will be issued by the office in these cases.** Teachers may assign detention for students who are tardy to class, per the schedule above. Continual tardiness to class may result in a behavior referral to the assistant principal and an after-school suspension being assigned.

TELEPHONES (OFFICE)

Except in emergency cases and for school business, use of the office telephone is not granted to students. Emergency messages only will be taken in the office and delivered at the close of school.

TESTING OUT

Rockford High School, in compliance with the School Code of Michigan, (Public Act 335, Section 1279B, of the State School Code), will allow students to “test out” of specified courses. These tests will be sound demonstration of course mastery based on the standards of learning expected of the students enrolled in the same course. Because some end-of-year tests do not serve as comprehensive measures of content and skill “mastery” as expressed in the Michigan School Code, students may be required to demonstrate a reasonable degree of mastery either through a written examination, written papers, projects, portfolios, or other comparable forms.

1. This policy will apply equally to all students at Rockford High School.
2. Course advancement or waiver will only be granted for a C+ (78%) or better. Credit earned is to be based on a passing grade C+ (78%) and will not affect the student’s GPA.
3. Students may not receive credit thereafter for a lower course in the course sequence concerning the same subject area.
4. Students can take the “test out” option one time only for a specific course. Students may not attempt to “test out” of a course more than once, and may not “test out” of a course they failed.
5. Testing out is offered one time a year.
6. **Registration for testing out will be in June; testing takes place in August.**

TEXTBOOKS

Students who use textbooks, supplies, library materials, or equipment issued by Rockford Public Schools are expected to return these materials in good condition. Students failing to return these items will not receive their report card or diploma until full payment for the items has been made. Students are required to show student ID when checking out and returning text books.

TITLE IX, SECTION 504, AGE DISCRIMINATION ACT AND TITLE II

The government has made legal provisions to insure that no person is discriminated against on the basis of race, color, national origin, sex, age, disability, religion, height, weight, or marital status. In order to protect these rights and assure compliance, the Rockford School District has appointed Dr. Douglas VanderJagt, Assistant Superintendent for Human Resources, as Coordinator of Title VI, Title IX, Section 504, the Age Discrimination Act, and Title II. Inquiries concerning the application of, or grievances for, any of these regulations should be addressed to: Dr. Douglas VanderJagt, Assistant Superintendent for Human Resources, Rockford Public Schools, 350 N. Main Street, Rockford, Michigan 49341. Phone: 616-863-6554. Any person, who feels that the rights of an individual have been misused in relationship to the provision of equal opportunity in any educational programs and activities, or in employment, may contact Dr. Douglas VanderJagt.

WEAPONS-FREE SCHOOL ZONE POLICY

The Board of Education of Rockford Public Schools, as both an employer and a public school district, is concerned with and interested in protecting the health, safety and welfare of students, employees, and visitors. The Board recognizes that school buildings, facilities,

vehicles, grounds, and other school property are best utilized in the educational process in the absence of threats to physical well-being and safety, by individuals possessing weapons and/or dangerous articles.

In this interest, and under the terms of this policy, Rockford Public Schools shall be designated a Weapons-Free School Zone. No person shall possess a weapon on school property unless:

1. They are serving in the capacity of a peace officer; or
2. They are a person with prior permission from the Superintendent or his/her designee that a weapon may be possessed for educational or safety purposes; or
3. They are otherwise exempt under Michigan law.

Furthermore, the Board of Education of the Rockford Public Schools (or the Superintendent) shall permanently expel a student from attending school in the District if the student possesses a weapon or dangerous article on District grounds or at District or school events. Such expulsion is mandatory unless the student establishes in a clear and convincing manner at least one of the following:

1. That the object or instrument possessed by the student was not possessed for use as a weapon, or for direct or indirect delivery to another person for use as a weapon.
2. The weapon or dangerous article was not knowingly possessed by the student.
3. The student did not know, or have reason to know, that the object or the instrument possessed by the student constituted a weapon or dangerous article; or
4. That the weapon or dangerous article was possessed by the student at the suggestion, request, or direction of, or with the express permission of school or police authorities. Expulsions mandated under this policy shall be imposed in accordance with the procedures for student discipline as established by the District, and as set forth in the student handbook or other appropriate documents.

WITHDRAWAL AND TRANSFER FROM SCHOOL

The following is required for a student withdrawing from or transferring away from Rockford Public Schools.

- Parent/guardian authorization to withdraw or transfer
- Obtain appropriate form from the counseling office
- Pay all fines and fees
- Return all books or make restitution
- All classes must be cleared by teacher's signature
- Books are cleared in library by librarian's signature
- Take completed form to the counseling office for final clearance.

WORK PERMITS

By Michigan law, all students under 18 years of age must file a work permit prior to actually working. The work permit may be picked up in the main office. It has three parts: the employer fills out part one, the student fills out part two, and the school gives approval on the third part. After the employer and student parts are completed, the student needs to bring his/her **birth certificate or driver's license** with the permit to the main office for final validation and approval. Work permits are not issued during regularly scheduled school vacations (i.e. Thanksgiving, Christmas, Spring Break, Good Friday) during the school year.

2015-2016 DISCIPLINE CODE OF CONDUCT

The Rockford Board of Education does hereby establish the following categories of misbehavior that may result in suspension or expulsion from school of any student regardless of age, under its jurisdiction. The student may be referred to the Student Assistance Program for referral to an appropriate support agency. This list is offered as an example of unacceptable behavior and is not intended to be all-inclusive. These policies are applicable to all school-related activities and also apply while the student is on school property, before or after school, and en route to and from school on District-provided transportation.

The disciplinary action identified for the various types of unacceptable behavior enumerated in the student disciplinary code of conduct states the minimal disciplinary action. The District reserves the right and discretion to impose more severe disciplinary action, up to and including expulsion, for unacceptable behavior regardless of whether it is the first offense. Additionally, when appropriate, school administration reserves the right to deny any student that receives disciplinary action the privilege of attending school activities such as roller skating, dances, athletic contests, etc.
