

2018 SUMMER READ-A-THON

For children entering DK through 5th grade

Looking for mystery or adventure this summer? Keep your reading skills sharp by taking a journey through books. Participate in the 2018 Summer READ-A-THON! This program promotes reading while earning money for the 2018-2019 activity pass.

Ask family and friends to make a pledge for each book you plan to read over the summer. Use the **Sponsor List** to record each sponsor and the amount pledged per book. A pledge can also be a flat donation.

Use the **Booklist Form** to list each book you read or had read to you this summer. There is no limit to the number or type of books you read, but the books *should be at your reading level*.

By September 28, 2018, submit the collected pledges, the **Sponsor List**, and the **Book List** form for each student that participated. However much money is raised, can be used to offset the activity pass! And to thank you for paying the activity pass we will have a bounce house for all the students to enjoy in October.

SPONSOR LIST

By agreeing to sponsor this reader, you not only help support Crestwood Elementary School, but also encourage a child to read. Many thanks for your pledge!

Reader's Name _____ 2018-19 Grade _____

Parent's Signature _____

Sponsor's Name	Pledge per Book (A) or flat donation	Total # of Books Read (B)	Total Paid (AxB)
1	\$		\$
