

**CAMP****WIN****(WHAT I NEED)**

**CAMP WIN** (What I Need) is a hands-on experience designed with your student in mind. Our goal is to engage middle school students in a fun learning atmosphere. Each course will weave critical course material for students while they participate in engaging activities.

**SESSION 1: June 14-24****SESSION 2: July 12-22****Mondays-Thursdays, 9:00-11:00am****NRMS \$50****SUMMER ART CAMP**

Summer Art Camp will allow the creative process to lead students through various art techniques. Guided and independent projects, along with basic color theory will be presented through painting, drawing and sculpture. Bring an open mind and let's see what you create!

**June 14-24 #3588-U21A****LET'S BE BEADIN' BUDS**

There's nothing better than jamming to music while creating fun projects with beads. Bracelets, bookmarks, lanyards, keychains, candleholders...the options are endless! This is a beginner level class so no need for experience or materials. The only thing you need to bring is your creativity!

**June 14-24 #3597-U21A****July 12-22 #3597-U21B****CAKE DECORATING BASICS**

Students will practice prepping a cake for frosting, frosting a cake, and a few piping techniques. The final project will be to make a buttercream frosting and decorate a cake.

**June 14 - 24 #3578-U21A****EARRING MAKING**

Do you like to get creative with your style? Do you like to paint? If you answered yes to either or both of these questions, you'll love this earring class! Over the course of the week, we will delicately paint wooden earrings, learn how to make tassel earrings, and do some fun beadwork. Every pair you make, you get to take home. Super fun and as unique as you are! Supplies will be provided, just bring you!

**June 14-24 #3595-U21A****PAPER-MACHE ART CAMP**

This art camp is all about paper-mache. We will create multiple paper-mache sculptures from start to finish. Bring your creativity and wear some old clothes...this is going to get messy!

**July 12-22 #3589-U21A****CHILL WITH CHILLIE**

Students will learn about dog training, service animals, careers working with animals, and spend time with Chillie, the NRMS School Counseling Dog.

**June 14-24 #3593-U21A****July 12-22 #3593-U21B****ENGAGING HISTORY**

A class that will allow students the ability to take initiative in diving deeper in some aspects of history that we may not have time for within the school year. This could include looking into the Soviet Union side of WW2, the Dakota War, and any other topics that students show interest in. Using primary sources as well as other interactive tools, students will get to see a side of history that they otherwise would not have time for in class. Engagement amongst students will be promoted with activities such as socratic seminars, debates, and collaborative discussions. Students will broaden their love for history as well as work to further their important historical skills as we interact and engage with diverse historical topics.

**June 14-24 #3581-U21A****July 12-22 #3581-U21B****GREEK MYTHOLOGY AND THE 21ST CENTURY**

In this class, we will dive into the world of Greek mythology and examine the effects that the Greek's beliefs have on the 21st century. We will look into all of the major Gods and mythology, create Ancient Greek-inspired art, and try our hand at writing poetry like Homer along the way!

**June 14-24 #3596-U21A****July 12-22 #3596-U21B****Rockford Public Schools**

## LEVEL 1 CHESS COURSE

Ever wanted to be a Grand Master at Chess and be able to beat any opponent? Well first you need to learn how to play! Level 1 Chess course is designed for players who are completely new to the game and want to learn how to play as well as build a solid foundation to build on to learn more advanced strategy in the future. In this course you will learn:

- Chess piece names
- Chess piece purposes
- Chess rules
- Chess Terminology
- Beginning Chess Strategy & Lessons

**June 14-24 #3580-U21A**

**July 12-22 #3580-U21B**

## ADVANCED CHESS

This class is for advanced players and is designed to help students improve their chess skills, concentration, and strategic thinking. Students will learn fast decision-making skills, evaluate alternatives, and learn multiple ways to win.

**July 12-22 #3598-U21A**

## THE ART OF GAMES

Video games, role-playing games, board games, card games, and more are jam-packed with interesting stories, fun adventures, and amazing characters. In the Art of Games, you will see what it takes to develop an adventure story and imagine how that might look in the game world. Be ready to play different types of games, participate in an exciting book club, and write your own ideas in this summer course.

**June 14-24 #3584-U21A**

## INTRODUCTION TO COMPUTER AIDED DESIGN (CAD)

Students will be introduced to AutoCAD fundamentals in 2D and 3D.

**June 14-24 #3585-U21A**

**July 12-22 #3585-U21B**

## LIGHTS, CAMERA, ACTION! KEEPING IT REEL!

This camp course has been designed to give students a practical introduction to film-making, while at the same time, helping them to appreciate the rewards of teamwork and the satisfaction of putting their own ideas into action. Students will not only create their own unique films, they will also gain the confidence to express and discuss their ideas, learn what it takes to put their ideas into action and discover the rewards of seeing their ideas come to life on the big screen.

**June 14-24 #3587-U21A**

**July 12-22 #3587-U21B**

## FL STUDIO 101
