

SUMMER EXPLORATION CAMPS!

These two week sessions are offered to motivate and inspire students using core content over the summer months. Themes will be used to bring interest and enthusiasm to encourage a love of reading, math, and/or science/STEM.

**Mondays-Thursdays,
9:00-11:30am
Roguewood \$50**

A packed lunch will be sent home with each student at the end of the daily session.

PRE-K

GAME SHOW

Come on down to this fun-filled camp where every day is a new game! From the Price is Right to Jeopardy, I want to be a Millionaire, Survivor and MORE! This camp will keep us saying Deal or no Deal, I'd like to phone a friend, and winning fun prizes all while working on our math skills! So if you would like to win big this summer, sign up for this camp and let the games begin! Instructor: Jessica Merk
June 14-24 #4102-U21A

DIGGIN' IN THE DIRT

What did the flower say to the other flower? Move over bud, this is the best camp around! Come join us for this camp filled with all things nature. We will explore the life cycle of plants, learn about different types of dirt, and even plant some flowers of our own! This two week experience will take us on an adventure of experiments that will grow our love for science, nature and learning, all while playing in the dirt! Instructor: Jessica Merk
**June 28-July 8 #4103-U21A
July 26-August 5 #4103-U21B**

DISNEY

Come enjoy the wonderful world of Disney! From Frozen to Spiderman and beyond, we will be expanding our love and knowledge of literacy through our favorite heroes and characters. This two week course will take us on journeys through magical lands, castles, enemy battles, and more! Experience scavenger hunts, games, collaborative projects, reading and writing, all focused on building a continuous love for Literacy. Instructor: Jessica Merk
July 12-22 #4104-U21A

UNDER THE SEA

Join us for an under the sea literacy adventure! We will be exploring the oceans and the amazing creatures that live in them. Our adventures will include reading, writing, games, fun facts, and ocean animal projects. This is an adventure that you won't want to miss! Instructor: Sarah Grove
June 14-24 #4105-U21A

THE WORLD AROUND US

Come hang out with us as we learn all about animals, cultures and even experience yummy foods from around the world as well as grow our literacy skills! We are excited to play, explore and experience the world around us right in our own classroom! Let's adventure together!
Instructor: Rachel Standfest
**June 14-24 #4106-U21A
June 28-July 8 #4106-U21B**

GROW WITH ME

Experience and experiment with a group of your friends as we learn all about growing! Come join us as we learn about life cycles and growth. From plants to bugs to hands on activities with real live creepy crawlies, anything could happen! We plan to engage in many exciting activities that will leave you feeling like a scientist! Come explore with us as we play games, make crafts and grow together!
Instructor: Rachel Standfest
July 12-22 #4107-U21A

FAIRY TALES

Castles, beanstalks, a big bad wolf, and a little girl with gold locks? This camp will be filled with all things fairy tales! Get ready to sharpen your reading, writing, and phonics skills with fairy tale themed activities, games, and of course books! You may even get to meet some special fairy tale characters!
Instructor: AnnMarie Aulbach
July 12-22 #4108-U21A

WEATHER WATCHERS

Get ready to dive into all things weather! This 2-week weather themed science camp will be filled with weather experiments, weather watching, weather games, weather crafts and more! Put on your rain boots, get out your sunglasses and get ready to build your science skills because we "forecast" this to be an awesome camp!
Instructor: AnnMarie Aulbach

June 28-July 8 #4109-U21B

OUTDOOR FUN WITH READING

Let's explore the outdoors! Grab your hiking shoes, put on some sunscreen and let's see what nature has to offer! We will be exploring the outdoors while improving our literacy skills!

Activities will include interactive read alouds about plants, animals and all things nature. You may need your sunglasses too as we seek the great outdoors! Instructor: Samantha Glass
June 14-24 #4110-U21A
June 28-July 8 #4110-U21B

OUTDOOR FUN WITH MATH

Have you ever had a curiosity for the outdoors? Do you ever wonder what lives inside the woods? Grab your math toolbelt and let's see how we can work on our math skills through nature-based activities! This is a fun-filled adventure you will not want to miss! Instructor: Samantha Glass

July 12-22 #4111-U21A
July 26-August 5 #4111-U21B

CAMPING

"The BEST memories are made CAMPING!" If you love the outdoors, s'mores, and campfire stories, you will LOVE this 2-week literary adventure! Come ready to "Get Lost" in engaging books about adventures, animals, and nature! Put on your hiking boots and gear up for a camping experience of a lifetime, all while building your literacy skills!

Instructor: Alyssa Scheidel

June 28-July 8 #4112-U21B
July 12-22 #4112-U21C

JOY OF BAKING WITH NUMBERS

MEASURE, MIX and DISCOVER the JOY of BAKING with numbers! We'll be applying how numbers are in our everyday life, whether it be the sequence, the amount of flour, or the temperature at which something cooks! Math likes to hide right below our very noses so JOIN US as we sniff (or sift) this one out and adventure into the world of BAKING! We will work together to CREATE something scrumptious, REFLECT on all the steps that we took, and DESIGN our own little cookbooks to take home! YAY for math! Instructor: Kristen Cornette

June 14-24 #4113-U21A

SIGN LANGUAGE, MUSIC, GAMES, BOOKS AND MORE

Learn to sign letters, numbers, and 50 signs while working on reading fluently. We will use movement, music, games, and signing to improve reading fluency. No matter if your child is new to reading, or is a confident reader, reading fluency will improve as we read great books, enjoy great authors, play games, learn poems, practice song lyrics, and learn the signs for favorite songs. Instructor: Tam LeFurge-McLeod

June 14-24 #4114-U21A

WOODS AND WETLANDS

Join us this summer for Woods and Wetlands adventures in nature, where science meets imagination and "dirt doesn't hurt!" We will explore, play, and learn, using all five of our senses. We will fully immerse ourselves in nature. Explorers may bring any fun nature tools they would like!

Instructor: Tahlia Miller
June 14-24 #4115-U21A
June 28-July 8 #4115-U21B
July 12-22 #4115-U21C
July 26-August 5 #4115-U21D

GRADES 3-5

SUPER SECRET SPY SCHOOL

Wanted: Aspiring FBI Secret Agents! Be a secret agent who saves the world by solving problems, working together, and navigating through laser beam obstacles! In this 2 week camp, Agent Gerrits is excited to guide students through math challenges that will reveal clues to solve a forensic mystery and recover top-secret government files. Team building, coding, and cracking cases is what this camp is about! Instructor: Amber Gerrits

June 14-24 #4116-U21A
June 28-July 8 #4116-U21B

MAGELLAN: AROUND THE WORLD

Travel and explore through literature, writing, food, and field trips! Help us make our way around the world in 8 days by visiting exciting new countries. Explorers will learn about new cultures, see amazing new places, and "get lost" in books, poems, and virtual experiences. Students will keep track of their journey in their explorer's journal and through 'pen pal-ing' other kids from around the world. Join us on our once-in-a-lifetime adventure!

Instructor: Amber Gerrits
July 12-22 #4117-U21A
July 26-August 5 #4117-U21B

TWO WEEKS IN THE WOODS

With FORT BUILDING at its core, this camp will allow kids to learn about and connect with nature. Along with having a ton of FUN this camp will nurture independence, confidence, problem solving, social skills, and a connection with the world. Kids will naturally release stress by being in the outdoors and also learn some mindfulness practices. Let's get our hands dirty and enjoy two weeks in the woods.

Instructor: Tara Dzirbowicz

June 28-July 8 #4118-U21B
July 26-August 5 #4118-U21C

SPORTS AND SPORTSMANSHIP EXPLORATION

PLAAAY Ball!! If you're ready to have a ball while sharpening your reading skills and playing sports, this exploration is perfect for you! The focus of this exploration will be strengthening literacy skills with read alouds, non-fiction texts, writing and readers theaters all around the theme of sports and sportsmanship. Each session will also consist of putting our new skills to work through play. This class is for everyone, so no worries if you don't know much about sports, we will practice and learn together! Instructor: Kendra Austin
