

ONLINE BOOK CLUBS

When it comes to reading, engagement is everything! This summer, Rockford Public Schools is excited to be offering online book clubs for a wide range of readers in grades 2-8! Students will receive a free copy of the book club title they choose. They will engage in fun and thoughtful conversations with other students their age each week. Our summer online book clubs will meet virtually twice a week for four weeks. These clubs will be facilitated by trained Rockford educators. There are many interesting titles so help prevent summer learning loss and sign up soon to reserve your spot!

Students should access the internet from their home devices if at all possible. If a student is unable to use a device to access the internet from home the district will provide one. Pick up details will be sent at a later date.
