

Registering Your Athlete for the 2022-2023 School Year

Register My Athlete (RMA): <https://www.registermyathlete.com/login/>

- Sign in to existing account or create account for a new student athlete
- Under “What Would You Like To Do” choose **Start/Complete Registrations**
- At the top of the page click: “**Click Here To Start New Registration**”

- **Select the school** your child is attending for the 2022-2023 school year. In the search bar type “Rockford”, three schools will populate, and select your child’s school. *If your child is moving from the middle school to the high school, you must change the school to Rockford High School.*

- Select the child you are registering and if they are not listed, choose “**Add A New Athlete**”.
- Next Select Year/Sport
 - Choose **2022-2023** School Year from the drop down.
 - **Please choose all sports your child may be interested in participating in.** By selecting all sports your child is interested in participating in, this signs them up for that sport for that season and you will receive communication and updates regarding those specific sports. When the list is complete, hit submit at the bottom of the form.
