If circumstances require any deviation from the aforementioned times, the Administration and the Association shall mutually agree on the teaching day for the staff involved.

1. Secondary Teachers

Elementary teachers K-5 shall normally have a guaranteed break during recess periods. Exceptions to this policy shall be when weather/emergency situations are such that the elementary children cannot be sent outdoors. In these cases, the building principal will assign the necessary teachers and other personnel to properly supervise students during these periods on a rotating basis. It is understood and agreed classroom paraprofessionals may be removed by the Administration from their classroom assignment to implement this provision.

D. Delay of School

On days when the start of school has been delayed, teachers should, if possible, report at their regular work hours. However, it is recognized by the Board that, dependent upon the location of the teacher's home and/or the severity of weather conditions, which necessitated the delay of school, some teachers may not be able to adhere to their regular hours. In such instances, the teacher is expected to be at work fifteen (15) minutes prior to the start of the student day.

E. Closing of School

On those days where snow, sleet or other such hazards, as determined by the Superintendent of Schools, necessitates the closing of school, the teaching personnel are not required to report.

H. Parent-Teacher Conferences- Parent contact is an essential part of a professional staff member's job. This should take place at various times and using various modalities over the course of each school year. Parent Teacher Conferences should be designed to meet the needs of families and staff for student success.

1. At the elementary level, Parent-Teacher Conference sessions may be scheduled throughout the school year, for a total of twelve (12) hours per school year. Both in person and virtual conferences may be utilized.
2. At the middle school level, Parent-Teacher Conference sessions may be scheduled each semester, for a total of twelve (12) hours per school year. Both in person and virtual conferences may be utilized.

3. At the high school / high school freshman center, Parent-Teacher Conference sessions may be scheduled each trimester, for a total of twelve (12) hours per school year. Both in person and virtual conferences may be utilized.

5. The district calendar will acknowledge these conference hours by scheduling early release days (3) and a mid-winter break for professional staff.

A. Planning Time

The teachers' load in the Rockford Middle Schools, Freshman Center and Rockford Senior High shall consist of 310 minutes. During the workday, each teacher in the Middle Schools, Freshman Center and Senior High shall be entitled to one (1) period of planning time.

1. During the workweek, each elementary regular, special education, itinerant, and specials classroom teacher shall be entitled to a minimum of five (5) hours per week (300 minutes) of planning time. This will be provided by a combination of art, music, physical education and a thirty-minute duty free recess. The thirty-minute (30) recess period per day shall count towards student instructional time and be supervised by certified paraprofessionals from RESPA.
2. Planning time must be counted in blocks of time no less than fifteen (15) minutes.
3. Planning time will regularly be reserved for teacher-directed professional responsibilities.

B. Assignments

Assignments shall be made at the discretion of the Administration and within the area of teacher competency, teaching certificate or major and minor fields of study except temporarily or for good cause.

C. Class Size

1. The Board of Education is aware that the pupil-teacher ratio is an important aspect of an effective educational program. Thus, the Board has established the following pupil-teacher ratios:

DK	18:1
K	22:1
1-5	24:1
6-7-8	28:1
9-12	30:1
Explore	35:1

P.E.	50:1
Special Education Identified	1/3 or less of total class

The above ratios do not apply to choir, band, and orchestra, SAT prep class, or study halls. Special education ratio does not apply to art, PE, or magnet classes at middle school level.

2. The Board agrees to continue its efforts to keep class sizes at an acceptable number as dictated by the financial condition of the District, the building facilities available, the availability of qualified teachers and the best interest of the District as deemed administratively feasible. Equitable distribution among staff shall be considered prior to mainstreaming special education students.
3. If the student-teacher ratio exceeds the above-mentioned ratios by two (2) students in grades DK-2 and four (4) students in grades 3-12 in any individual class, additional help will be provided and assigned to the teachers involved or compensation will be compensated at \$6.00 per day in excess of the class limits above. Any class that has student enrollment greater than 20% of above limits will receive paraprofessional support, if requested or \$10 per day (1/4 per class at the HS – 1/5 per class at the MS). The teacher shall, within 10 working days, notify the principal of the option selected. If a teacher asks to have student numbers exceeding the above limits, paraprofessional support or compensation will not be approved. For the remainder of this agreement, the amount of paraprofessional assistance will be a minimum of two (2) hours per teacher per day in grades 1-5 and two and one-half (2½) hours per teacher per day in Kindergarten and Developmental Kindergarten, unless Administration determines additional help is needed. Excluding the first two (2) full weeks of the school year, if there is a delay in assigning additional help due to class overloads, such additional help shall continue to be provided even if the class overload has ceased, so that the period of additional help is commensurate with the period of classroom overload.
Where the overload ceases at the end of the semester/trimester or the end of the school year, continuation of the additional help will not be required.
4. In the establishment of experimental programs involving large group instruction or other organizational patterns with high pupil-teacher ratio, the ratios established will not apply. The Board agrees to involve the Association and the teachers in the development of such programs.
5. For elementary virtual learning programs, the elementary (DK-5) caseload shall be the same as the grade level class sizes above. For secondary virtual learning programs, if the virtual teacher's case load exceeds 75 students, the teacher shall be entitled to compensation at \$6 per day. If the secondary virtual teacher's caseload exceeds 80 students, the teacher shall be entitled to compensation at \$10 per day. In no case will a secondary virtual teacher's caseload exceed 100 students.

D. Assignment of Special Education Students

The Board of Education recognizes the need for a fair distribution of all students. In order to achieve the goal of fair distribution of workloads and an academically strong environment for students, the Administration will institute the following procedures:

1. By June 1st of the current school year a tentative workload of special education student projections will be available for department and staff review. The tentative workloads provided will include all special education staff and itinerant staff.
2. If, after staff review, a fair distribution/academically appropriate environment does not exist, he/she must notify the Principal and Head Counselor in writing of their concern.
3. When the Principal receives the notice of concern, he/she shall respond in writing to the staff involved. The Principal will provide to the department possible solutions.
4. If, after review, the staff involved believes that an appropriate solution has not been reached, he/she may appeal in writing to the Superintendent or his/her designee.
5. Within ten (10) working days of the receipt of the concern, the Superintendent or his/her designee shall meet with the Association President to discuss the issue. The Superintendent or his/her designee shall make a decision within five (5) working days of the meeting with the Association and shall be final.

E. Notification of Grade or Subject Assignments

Each teacher who, by May 1 of each school year, commits himself to teach for the following school year will be notified of his/her grade or subject assignments no later than June 1 for the following school year, provided negotiations are completed. Should any change in his/her assignment become necessary thereafter, he/she will be released from his/her contract if he/she wishes. If, by May 1, a teacher has not committed himself to teach for the following school year, he/she may be assigned to a different position in the District if a replacement has been hired or assigned before he/she commits himself to teach in the District. In making changes in grade or subject assignments, the Board will give consideration to the requests of individual teachers.

F. Non-classroom Personnel

It is expressly understood and agreed Article VI A., C., and D., does not apply to non-classroom personnel

G. Itinerant Staff

Itinerant Staff is defined as non-certified teachers that work for a period of time in various places. These staff members include school psychologist, speech and language staff, school social worker, and occupational therapist.

H. Substitute During Conference Hour

All teachers under written contract, who substitute during their conference hour, or, in the elementary school, when a special teacher would be responsible for that class, will be paid according to the following schedule:

1– 30 minutes -		\$20 (This does not refer to current 15-minute supervision)
31 – 60 minutes	-	\$33
61 – 75 minutes	-	\$40

In the event that any elementary teachers are required to be with students during lunch period, from 1 to 30 minutes twenty dollars (\$20.00), over 30 minutes thirty-three dollars (\$33.00), for each lunch period so interrupted by each occurrence of this nature. This provision shall not apply to the school social worker or psychologist.

Elementary teachers that cover an entire classroom of students will be compensated at a rate of \$115 per day. If the classroom of students is split between two (2) teachers, the pay will be split between them.

Included in the scheduling discussion should be an elementary principal representative and one teacher representative from each special group to serve in an advisory capacity. Tentative building assignments will be given out to the appropriate teacher by June 1 of each school year.

3. Other

- a. One elementary principal will serve as a liaison to meet with all elementary specials (art, music and physical education) periodically throughout the school year when the need arises. Not more than six (6) meetings shall be convened annually.
- b. Inter-travel time of 30 minutes shall be assigned between two elementary buildings and shall be considered one section. Every effort will be made by administration not to schedule an elementary special teacher in three (3) elementary buildings or programs. On occasion, due to unforeseen emergencies, three (3) elementary buildings may need to be scheduled.

4. Definitions

- | | |
|--------------------|---|
| Inter-travel time: | This is the travel time that a teacher has between schools when two or more sites are scheduled. |
| Intra-travel time: | This is the 0:05 minutes a teacher must have on a cart, going from classroom to classroom, within a given building. |

5. Specials Resources

The elementary principal who serves as a liaison and his/her representative committee shall do a study of needed "large" items to standardize curriculum across the district and shall make a recommendation to the Superintendent or his/her designee as to cost, items needed and a schedule for implementation. Administration has the right to accept, deny or alter the recommendation or request submitted by the special teachers.

I. Elementary Art, Physical Education and Music

If during this agreement, Elementary Art, Physical Education and/or Music are discontinued, classroom teachers will not be responsible for covering that curriculum unless the Superintendent or his/her designee and the Association President or his/her designee agree to do so.

J. Multi-Building – Secondary travel compensation

Teachers required to travel from one building to another during their prep period, within the workday, shall be entitled to the following compensation:

The amount of \$18.00 per hour (accumulated) shall be paid.

This travel time has been determined between the union representative and Human Resources.

ERMS to NRMS (or vice versa)	14 minutes, 30 seconds
NRMS to HSFC (or vice versa)	10 minutes, 30 seconds
NRMS to RHS (or vice versa)	11 minutes

This excludes the High School/Freshman Center travel, which will be compensated as follows:

Those teachers required (did not request a split between the buildings) to travel during their prep period between the High School and the Freshman Center shall receive two (2) compensation days each school year. If the teacher does not use the comp days, the days will be converted to sick leave the following year.

Multi-building compensation at the secondary level does not apply to itinerant staff, auxiliary or ancillary staff, counselors, vocal music, elementary specials and band teachers.

ARTICLE VIII

VACANCIES, PROMOTIONS AND TRANSFERS

A. Posting Vacancies

Vacancies (a position which cannot be filled from within a building) will be posted for a minimum of seven (7) days before the position is filled permanently.

Vacancies will also be listed on the district's website and a hard copy should be sent to the association president. Whenever a teacher is interested in being considered for assignment to any vacancy in any professional position in the District, he/she may file written notice with the Superintendent of Schools or his/her designee prior to the deadline stated on the posting. Before any such vacancy is filled, the qualifications of each teacher who has filed a notice of interest shall be reviewed. Consistent with the parties' basic purpose of providing a quality education for the children of the District, such vacancies shall be filled by the Board with the best-qualified person available in the judgment of the Board. The top 3 senior and highly qualified teachers that express, in writing, their interest in the vacancy will be interviewed prior to interviews conducted with outside applicants.

If an employee is denied the position, he/she will have the right, upon request to the Assistant Superintendent of Human Resources, or his/her designee, to hold a meeting for the purpose of receiving in writing a statement with the reason for denial of said position.

B. Transferred to a Supervisory Position

Any teacher who is transferred to a supervisory or executive position and shall later return to teacher status shall be entitled to retain such rights as he/she may have had under this Agreement prior to such transfer to supervisory or executive status.

ARTICLE IX

SICK & PERSONAL LEAVE PAY

A. Sick Leave

All teachers regularly employed by the District who are absent from duty because of personal illness shall be allowed sick leave with pay at the rate of eight (8) days per school year. The days shall become effective when the teacher reports for duty as authorized.

- o Irregular part-time employees (those not working a full 5-day week) shall receive sick leave commensurate to the percentage worked (i.e., 70%=5.6 days, 50%=4 days). All irregular part-time employees should use sick days in full-day increments, but may use them in ½ day increments with administrative approval.

- o Regular part-time employees (those working a full 5-day week) shall receive sick leave commensurate to the percentage worked (i.e., 70%=5.6 days, 50%=4 days). All regular part-time employees must use sick days based on percentage worked (i.e., 50% employees use .5 of a day for each sick day used)

In the event the teacher terminates his/her employment, the above eight (8) days shall be prorated to the time employed. Any necessary payroll adjustments shall be made on the teacher's last paycheck.

Sick leave may accumulate to a maximum of 250 days. Employees who accumulate sick leave to 250 days shall start the next school year at 258 days sick leave (8 days allocated for the current year) and shall not exceed the specified amounts as in above.

a. Reporting Unavailability for Work

Teachers shall be informed of a process that they may report unavailability for work. Unavailability must be reported at the earliest possible time in order that a substitute may be found and in any event before six o'clock (6:00) a.m. of the day of absence. Once a teacher has reported unavailability, it shall be the responsibility of the Administration to arrange for a substitute teacher. The Board agrees not to use student teachers as substitute teachers unless mutually agreed by parties involved. Teachers who have called in sick will not be charged a sick leave day on days when school is not in session.

b. Requests

All requests for sick leave must be submitted to and approved by the building principal. Proof of illness signed by a physician may be required at any time, together with his/her estimate of the illness duration and his/her evaluation of the employee's physical ability to continue performing the full duties and responsibilities of his/her position. Sick days used before/after holiday/vacation will require doctor's note.

c. Pregnancy Notification

To provide sufficient planning time for efficient transition of teaching responsibilities, teachers who will be taking sick leave due to pregnancy shall notify the District at least five (5) months in advance of 1) their anticipated due date; 2) the anticipated length of leave; 3) the name, phone number and address of the treating physician.

d. Extended Illness

Sick leave for extended illness (5 or more days) will be paid only during the time period in which a physician certifies the employee to be physically or mentally disabled, and only to the extent of the number of days accumulated.

e. Involuntary Sick Leave

Upon the recommendation of the Superintendent of Schools, the Board may, at the Board's expense, require a teacher to submit to a physical or mental examination by an appropriate specialist to determine whether involuntary sick leave is warranted.

f. Personal Illness Exhausted

Any teacher whose personal illness extends beyond the period compensated will be granted a leave of absence without pay or increment for such time as necessary for complete recovery to a maximum of one (1) year. Further extension may be granted at the will of the Board.

g. Return from an Extended Sick Leave

Upon return from an extended sick leave, the teacher may be assigned to the same or similar position provided a vacancy exists and upon furnishing a statement from his/her physician attesting to his/her ability to resume the full performance of the duties and responsibilities. All benefits shall be reinstated upon his/her return.

h. Sick Child or Immediate Family

Teachers may use accumulated sick leave for a sick child or immediate family (as defined in Article IX.E.1). Normally, no more than seven (7) days per year should be utilized unless permission is granted from the Superintendent of Schools or his/her designee.

B. Workers' Compensation

Any teacher who is absent because of an injury or disease compensated under the Michigan Workers' Compensation Act should receive from the Board the difference between the workers' compensation payments prescribed by law and his/her regular salary, to the extent or until such time as such teacher shall have used up any so-called "sick pay" provided herein. (No teacher shall lose more than one-third [1/3] of their accumulated sick days under this provision.)

C. Personal Leave Days

Each teacher shall be allowed six (6) personal leave days each school year as defined below. A maximum of six (6) unused personal leave days can be rolled into accumulated sick leave each year. Advance written notice of five (5) days will be given, when possible.

1. The days may be used without the loss of salary.
2. Personal days used on days preceding/following a school vacation or holiday, or compensation day(s) when tied to additional vacation or holiday, will be assessed 3 personal days (i.e., each day used before/after spring break will count as taking 3 personal days as will any preceding/subsequent day(s) until personal leave is exhausted). (or percent of FTE for regular part-time employees) Mid-winter break is considered compensation for PT conferences, thus days requested before/after Mid-winter break only count as one (1) personal day.
3. No more than 3 personal days can be used in succession. This applies not to the value of the day as defined in #2 and #3, but to the actual amount of calendar days used.
4. Unpaid leave will not normally be granted. Unpaid time may be attached to personal time once personal time has been exhausted (or if time off exceeds #4 above).
 - a. Unpaid time is defined as one day's salary for the particular employee. It is encouraged for each employee to determine his/her daily salary prior to requesting unpaid time. Benefits will be covered for the first three (3) unpaid days used in a school year (see Article IX.F. below).
 - b. When an employee has exhausted their personal time, and is requesting a personal day of a greater value than one (1), the amount of personal time in the bank will be applied as a percent of the day requested (i.e., employee has two (2) personal days left and is requesting a personal day with value of three (3), the employee will be unpaid for 1/3 of that day).
5. Half days off may be used for leave days. However, these days should be used only in unique or special situations due to the difficulty in finding half-day substitute teachers.
6. It is agreed that personal leave days (except in reference to serious illness, death, or serious accident) shall not be used during teacher record days, parent-teacher conference days, or

Staff Development Days. Personal leave days may be allowed at any time throughout the year for necessary travel related to legitimate business purposes as determined by the Board of Education.

7. Both parties agree that when extraordinary life events (such as graduations or weddings for immediate family members) are scheduled outside of the control of the employee, a need to deviate from IX.C.2 may rarely occur. In these instances, an exception may be made between the employer and the association. The granting or failure to grant an exception is final and non-grievable.
8. The number of teachers using personal leave days at any given time shall be limited to not more than ten percent (10%) of the building staff, but at least one (1) teacher from a building will be eligible. Extenuating circumstances may allow waiver of these numbers by the Superintendent of Schools or his/her designee.

9. Part-Time Employees

a. Irregular part-time employees (those not working a full 5-day week) shall receive personal leave commensurate to the percentage worked (i.e., 70%=5.6 days, 50%=4 days). All irregular part-time employees should use personal days in full-day increments, but may use them in ½ day increments with administrative approval.

b. Regular part-time employees (those working a full 5-day week) shall receive personal leave commensurate to the percentage worked (i.e., 70%=5.6 days, 50%=4 days). All regular part-time employees must use personal days based on percentage worked (i.e., 50% employees use .5 of a day for each personal day used)

D. Bereavement Days

In the case of bereavement, the district shall allow for the following non-chargeable leave days.

- a. The employee shall be granted up to five (5) days of bereavement leave for parents, grandparents, spouses, children, siblings, parents-in-law and all step-parents and step-siblings.
- b. The employee shall be granted up to three (3) days of bereavement leave for uncles, aunts, cousins, grandparents-in-law, siblings-in-law, other step-family not included above.
- c. It is understood that there may be instances where others have stayed in the same relationship as above. In these instances, the employee may request the Superintendent (or designee) to include them in one of the definitions above.

E. Serious Illness

If the teacher is absent because of serious illness or serious accident in the immediate family, the days involved will be subtracted from sick leave accumulation. No more than five (5) days may be used for serious illness per occurrence without permission from the Superintendent of Schools or his/her designee.

1. *Definition of Immediate Family*

Immediate family shall be defined as father, mother, children, sister, brother, husband, wife, grandparents, grandchildren, parents-in-law, grandparents-in-law, brother-in-law, sister-in-law and all step-family.

It is understood that there may be instances where others have stayed in the same relationship as those above. In these instances, the teacher may request the Superintendent of Schools or his/her designee to include them in the definition and allow sick days to be used.

Serious illness shall be determined by a doctor, and a statement to this effect signed by the doctor shall be sent to the Superintendent of Schools or his/her designee upon request.

F. Absence Not Covered

Absence not covered by the sick leave or personal leave provision in this contract will result in a reduction of one (1) day's pay based upon the teacher's base salary, whether or not there is a student teacher or other teacher filling in for the absent teacher.

G. Sick Leave Donation

Any employee whose sick leave accumulation is forty-one (41) days or more may relinquish no more than one (1) sick day to a single employee annually whose sick leave has been exhausted. Any employee may donate a maximum of two (2) days per year. This donation may only occur if the employee with depleted sick leave is seriously ill or seriously injured and only after the employee has been subject to a wage deduction for a minimum of seven (7) workdays. Up to twenty (20) days may be donated for maternity leave or adoption and may be used once during their Rockford Public School's career.

Should employees desire to donate, a written letter shall be submitted to the Superintendent of Schools or his/her designee by the union president requesting a review of all aspects of the request. A committee consisting of the Superintendent of Schools or his/her designee and the union president shall communicate to review the merits of the request.

H. Notification of Attendance

Upon 3 unpaid absences (not including personal time or FMLA leave), an employee will receive a letter of notice. On the 6th unpaid absence, the employee will have a meeting with the REA president (MEA UniServ if need be), the building supervisor or his/her designee and the Assistant Superintendent for Human Resources. A written notice will be generated by the Assistant Superintendent of Human Resources, and placed in the employees' personnel file, regarding the discussion of the meeting.

However, the employee must give the district the reimbursement check from the courts.

If a subpoena is issued to an employee, because employee was arrested, committed a crime, was involved in a crime or accident, etc. and if there are no personal days left, the time off from work will be non-paid but the employee can keep the reimbursement check from the courts.

The sabbatical leave pay will be paid over the twelve (12) month period following return to teaching duties in the District.
2. A teacher on sabbatical leave shall receive the scheduled increments, and/or adjustments in salary and credits the same as he/she would have received were he/she occupying his/her regular assignments provided all requirements of sabbatical leave policy have been fulfilled. ARTICLE XII

REDUCTION IN STAFF/SENIORITY

The following Article regarding layoff and recall of employees pertains to those covered by section 15(3)(k) of PERA. Sections of this Article are unenforceable by law and thus non-grievable for certified staff.

It is recognized that there may be times when it will be necessary for the Board of Education to reduce the professional staff. It is also recognized that such necessary reductions shall not be made to allow hiring of new personnel in the same field that a present teacher is certified and qualified to teach. In rehiring teachers on layoff, they shall be rehired in inverse order of layoff based upon certification and qualification.

Layoff and assignment related to recall of properly certified and qualified persons as defined by law for the forthcoming school year shall be based on written acceptable evidence on file in the central office as of January 30 of the current school year. Data received after this date will not be considered.

It is the sole responsibility of all certified and qualified personnel to promptly deliver written acceptable evidence to the central office regarding all certification, recertification, transcripts, majors and minors and all other data necessary to implement the layoff/recall and assignment procedures.

1. Probationary and non-degree teachers will be laid off first. This is provided that qualified tenure teachers are available.
2. No teacher shall be discharged or laid off pursuant to a necessary reduction in personnel unless he/she has written notification of said action.
3. During any period when the number of the teaching staff is reduced, the Board will not hire a new teacher to replace an incumbent teacher who is qualified and available to fill an available teaching position.

4. The Board will use its efforts to assist all released teachers to secure employment in other school districts.
5. The Board shall provide notice of layoff to the Association and the individuals involved no later than the third (3rd) Friday in May for the subsequent school year. The Board shall give not less than sixty (60) days' notice of layoff to the Association and the individuals involved for the current school year.
6. If it becomes necessary to lay off tenure teachers, the following factors shall be used:
 - a. If the teacher is fully certified by the State of Michigan and has a major or minor in the teaching field (based upon total semester hours earned), seniority in the Rockford Schools shall prevail.
 - b. In the event a teacher is properly certified in a teaching field, and has fifteen (15) or more hours in that field but lacks the necessary requirements to be highly qualified, they shall have one (1) year to complete the necessary requirements, if approved by the State of Michigan
 - c.
 - 1) Seniority is defined as length of unbroken service within the bargaining unit and shall be computed from the bargaining unit member's initial date of hire. Seniority date shall be determined by the date said teacher contract was signed, given approval by the Board of Education. If necessary, ties in seniority will be broken by drawing lots with the Association President present.
 - 2) A seniority list shall be published by the District by October 15 of each school year. A copy of the seniority list and subsequent revisions and updates, if made, shall be forwarded to the Association and the building representatives.
 - 3) Time spent on unpaid leave, for one semester or more, shall not be construed as a break in continuous service. However, the time spent on that leave would be deducted from the initial date of hire on the seniority list. Seniority will be lost if on unpaid leave or layoff for three years, unless mutually extended in writing by the District and the Association.
 - 4) No person other than a member of the bargaining unit shall possess, retain or accrue seniority within the bargaining unit.
 - 5) Members who transfer to a non-bargaining unit position shall retain only that seniority accrued while members of the bargaining unit.
 - 6) Involuntarily reduced assignments shall count as if the service were at the full teaching load and will count as full-time seniority. Voluntary reduced assignments shall count only for the time spent on the job and shall receive the pro rata amount toward their seniority.
 - d. Approved leaves do not break or extend seniority.
 - e. In the event two (2) or more tenure teachers have the identical qualifications and certifications, the following factors shall weigh equally in the final determination:
 1. Highest degree held;
 2. Seniority in department or teaching field;
 3. Teaching competence;
 4. Number of years since teaching in his/her field.

7. If such teacher reductions are necessary, the Association shall be asked for recommendations using the aforementioned criteria (No. 6).
8. If any such teachers desire to be reemployed when future vacancies occur, they shall keep the Board advised of his/her current address and telephone number.
9. Procedure for recall shall be as follows:
 - a. Seniority tenure teachers will be recalled in inverse order of layoff for positions for which they are certified and qualified as determined by number six (6).
10. It is understood and agreed that provisions hereof with respect to staff reduction shall in no way be construed as a waiver of rights otherwise available under the Tenure Act without specifications or agreement as to what such rights may be.
11. Any teacher recalled to work from layoff shall be entitled to at least two (2) weeks written notice delivered to his/her last known address prior to being required to report to work. If such a teacher is given more than two (2) weeks' notice, he/she shall be required to reply in writing within the two (2) weeks, agreeing to report to work at the date requested. If a recalled teacher refuses or fails to reply and/or report to work within the two (2) week time requirement, such teacher shall be considered as a voluntary "quit" and shall thereby terminate any employment relationship with the Board.

Any teacher recalled to work from layoff shall be entitled to at least two (2) weeks' notice delivered to his/her last known address by certified mail, return receipt requested prior to being required to report to work.

It is expressly understood and agreed by both the Board and the Association that the beginning of the two (2) week requirement shall begin only after the teacher signs the return receipt.
12. The refusal of a current full-time properly certified and qualified tenure person of a part-time position shall not remove the individual from the recall list. This provision shall not invalidate any other section or article of this Agreement.

ARTICLE XIII

B. Teacher Assault by Student

Any case of assault upon a teacher, while in the performance of duties, or as an outgrowth of duties, shall be promptly reported to the Superintendent or his/her designee and the association president, or his/her designee, by the building administrator or his/her designee.

The Board shall provide legal counsel to advise the teacher of legal rights and obligations with respect to such assault and shall render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.

C. Legal Assistance to Teacher

Reasonable legal assistance shall be defined as providing legal consultation with an attorney, to protect the teacher's rights. Said consultation shall not mean the actual filing, processing, or a board-provided lawyer's presence at a suit or trial. It shall mean the right to discuss with said board provided lawyer all facets of the situation and be provided with legal recommendation.

D. Assistance to Teacher in Complaints or Suits

A teacher will be informed of any complaint and/or suit against them as a result of disciplinary action taken by the teacher against the student, in performance of the teacher's duties. The board shall render reasonable legal assistance, as defined in Article XIII, Section C. above, to the teacher in the teacher's defense.

E. Complaint

Any complaint by a student or parent directed toward a teacher that is considered serious by the appropriate administrator and which is to be written into the teacher's personnel files, shall be called to the teacher's attention in conference within five (5) days of receipt of the complaint. Said teacher shall have the right to reply in writing and have his/her statement placed in his/her files with the other statement in the event that he/she chooses. The teacher shall receive copies of the written complaints directed against him.

ARTICLE XIV

DISCIPLINE OF TEACHERS

A. The Board may adopt rules and regulations not in conflict with the terms of this Agreement concerning the discipline of teachers.

B. No certified teacher shall be disciplined including reprimand, suspension with or without pay, demotion or discharged that is not arbitrary and capricious.

Any administrative reprimand which is to be written into the teacher's personnel file or is to be used as a basis for reprimand, shall be called to the teacher's attention by the appropriate administrator.

The teacher shall receive a written copy of such complaint, if any. Said teacher shall have the right to reply in writing and have his/her statement placed in his/her personnel file.

Failure to reemploy teachers in extra-duty positions shall not constitute discipline, suspension, demotion or discharge and shall not be the subject of a grievance under this contract.

Notwithstanding the foregoing, in the case of the discipline of a tenure teacher within the meaning of the Tenure Teachers' Act, arbitrary and capricious shall be determined under the Act.

C. Discipline of teachers shall be subject to the grievance procedure; provided, however, that (1) as to probationary teachers, the Board may give such notices of unsatisfactory work and such other notices as shall be required or permitted by the Michigan Tenure Teachers' Act during the pending of any grievance; and (2) as to teachers on tenure on continuing contracts, pending grievances shall be dismissed upon filing of written charges under the written Michigan Tenure Teachers' Act and the tenure act shall thereafter govern all proceedings against the teacher.

ARTICLE XV

NEGOTIATIONS

A. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the areas of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Therefore, the Board and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in the Agreement, except for matters which are subject to the grievance procedure as provided in Article XVI hereof, even though each subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

B. Notwithstanding the foregoing paragraph, it is agreed that any teacher, the Association, or the Board shall have the right during the term of this Agreement to bring matters not covered herein but of common concern to the attention of the administrative staff for its study and recommendation, it being understood that no such matters shall become the subject of arbitration or mediation.

C. Neither party in the negotiations shall have any control of the selection of a negotiating or bargaining representative of the other party. Parties mutually agree that their representatives will be clothed with all necessary power and authority to make proposals, counterproposals and make concessions in the course of negotiations.

D. There should be three (3) signed copies of any final Agreement; one (1) copy shall be retained by the Board, one (1) by the Association and one (1) by the Superintendent of Schools.

E. At least one hundred twenty (120) days prior to the expiration date of this Agreement, the parties agree to begin negotiations for a new Agreement covering wages, terms and conditions of employment of teachers employed by the Board.

F. This Agreement may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in writing and signed by both parties as an amendment to this Agreement.

G. A teacher engaged during the school day in negotiating on behalf of the Association with any representative of the Board or participating in any professional grievance negotiation, including arbitration, shall be released from regular duties without loss of salary when such meeting is held during the school day.

It is understood, however, that during any arbitration procedures, the number of teachers released will be kept to a minimum so as not to interrupt the normal school operation. Furthermore, every effort shall be made to utilize non-teaching time for arbitration proceedings.

ARTICLE XVI

GRIEVANCE PROCEDURE

1. Step One

Any teacher or group of teachers believing that there has been a violation, misinterpretation or misapplication of any provision of this Agreement, or any rule, order or regulation of the Board relating to wages, hours, terms or conditions of employment, shall within ten (10) working days after occurrence discuss such matter with the principal of the building involved or with the Superintendent of Schools when the grievance arises in more than one (1) building.

2. Step Two

If such discussion does not resolve the matter satisfactorily, the teacher or teachers affected may within ten (10) working days thereafter file a written grievance with the Superintendent of Schools or his/her designated representative.

Within five (5) working days thereafter, a meeting shall be held to resolve the grievance. The Superintendent of Schools shall answer the grievance in writing and the grievance and answer shall be transmitted to the Board.

3. Step Three

At its next regular meeting, the Board shall receive the grievance. The Board may hold a hearing thereon, may designate one or more of its members to hold a hearing or otherwise investigate the grievance, or may prescribe such other procedure it may deem appropriate for consideration of the grievance, provided, however, that in no event, except with express written consent of the Association, shall final determination of the grievance be made by the Board or its delegated representative more than thirty (30) days after the first regular Board meeting at which time it was received. The Board hearing provided herein shall not

be required in those instances where specific statutory proceedings or hearing are applicable; and, in any event, only one hearing need be held, and that to comply in all respects with statutory mandates with the statute controlling in cases of conflict herewith.

4. Step Four

If the decision of the Board is not satisfactory, the grievance may be submitted to arbitration by written notice, within thirty-one (31) days after receipt of the decision to the Superintendent of Schools and the American Arbitration Association.

- A. An impartial arbitrator shall be promptly selected by the parties to decide the matter. If they cannot agree as to the arbitrator, he/she shall be selected by the parties from a panel of five (5) qualified persons prepared by the American Arbitration Association.
- B. The power of the arbitrator shall be limited to the interpretation or application of the express terms of this Agreement, and he/she shall have no power to alter, add to, or subtract from the terms of this Agreement as written. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court or competent jurisdiction.
- C. No grievance shall be processed unless initiated or carried to the next Step within the time provided herein or as extended by mutual agreement. If a teacher is found to have been discharged that is not found to be arbitrary and capricious, he/she shall be reinstated on such terms as the parties may agree or as the Arbitrator shall order.
- D. The fees and expenses of the Arbitrator shall be paid by the non-prevailing party.
- E. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association.

ARTICLE XVII

NO INTERRUPTION OF EDUCATION

The Board, Association and each teacher recognize that their primary responsibility is to the children of the District and declare that their mutual objective is to provide those children with a proper education. To that end, it is agreed that during the life of this Agreement, they will not permit, cause or encourage any interruption, disturbance or interference with the continuous, normal education of any such children by sanction, concerted activity, or otherwise and that any difference of opinion or dispute which there may be between or among themselves will be resolved by the methods provided herein, including arbitration, and will not be allowed to affect in any way the normal education afforded the children of the Rockford Public School District.

ARTICLE XVIII

MEDICALLY FRAGILE STUDENTS

A. Authorization

Prior to any bargaining unit member performing health care related services to students required by an IEPC, written authorization signed by a licensed physician and the student's parent(s)/guardian(s) shall be received by the District and available to the bargaining unit member. Such authorization should include specific health care related procedures that are to be performed, the underlying condition calling for such services and the specific conditions under which the services are to be provided. (See Health Care Procedure Authorization Form.)

B. Training

Any bargaining unit member who has a medically fragile student assigned to him/her will be trained by licensed medical personnel in conjunction with the child's parent to handle the student's special health care needs.

C. Communication Equipment

The District agrees to supply the bargaining unit member with the necessary communication equipment to allow direct communication with appropriate licensed medical personnel (i.e., portable phone, etc.).

D. Liability Policy

Any bargaining unit member working with any school student is covered as an agent for the school under the Board's liability policy in the amount of \$3,000,000. The insurance shall specifically cover personal liability for the employee(s) providing such services. The Association will be provided a copy of the policy and any applicable riders annually upon request.

E. Supplies or Equipment

The employee shall not be required to provide any supplies or equipment necessary for the services to medically fragile students.

F. Right to Refuse to Perform Health Care Procedures

If the preceding five Steps are not followed, the bargaining unit member has the right to refuse to perform the health care procedures requested. The employee shall promptly notify, in person, a responsible administrator if he/she cannot perform the required procedures. Such notice should be as far in advance as possible.

ARTICLE XIX

JOB SHARING / PART TIME

The District will consider appropriate job shares:

1. Application

Two (2) bargaining unit members desiring to share a teaching position may make application to the Superintendent. Such application shall include a written proposal regarding hours of work, methods of communication, job duties, meetings, Staff Development Days, conferences and the division of responsibilities and shall be provided to and reviewed by the building principal and Association President. The Superintendent or designee shall meet with the applicants to discuss their proposal and thereafter make his/her decision granting or denying the application in writing. The Association shall present any concerns about adverse impact under the Bargaining Agreement to the Superintendent or designee. The decision to deny a job share shall be final and non-grievable. The Association may grieve the granting of a job share if it violates the Bargaining Agreement and appropriate written waivers have not been procured.

2. Restrictions and Waivers

No job share shall be permitted if the agreement will in any way adversely affect the seniority, layoff or recall rights of another bargaining unit member, including those on layoff. In such situations, the adversely affected bargaining unit member(s) and the Association may, in writing, elect to waive his/her seniority rights for that specific situation. Failure of said bargaining unit member(s) or the Association to waive such rights shall nullify the proposed job share and shall in no way result in adverse effect upon the refusing bargaining unit member.

3. Voluntary Part Time

Those employees in a voluntary part time, or job-share position shall be required to attend the following Staff Development Days: 1st official teacher work day; all ½ day and full day Staff Development Days as adopted in the school year calendar; all parent/teacher conferences; and other school related meetings which would normally be attended by a full-time employee. Voluntary or job-share employees need to report to staff meetings when not scheduled to work. Employees that work in two (2) or more buildings shall make arrangements with the building administration to attend an equivalent number of staff meetings to that of a full-time employee. If the administration requests voluntary part time or job-share employees to attend additional training, curriculum development or other school related functions, a minimum of two (2) weeks' notice will be given and said employee has the right to decline attendance. The current maximum sub rate will be paid for the time worked.

4. Involuntary Part Time

Those employees in an involuntary part time position shall be required to attend the percentage of staff development day's equivalent to the percentage of their contract (see example below). The 1st official teacher workday is a required day and is included in that percentage. In addition, the following days are required: all parent/teacher conferences; and, other school related meetings, which would normally be attended by a full-time employee. Part time employees normally need not report to staff meetings when not scheduled to work. Employees that work in two (2) or more buildings shall make arrangements with the building administration to attend an equivalent number of staff meetings to that of a full-time employee. If the administration requests part time employees

to attend additional training, curriculum development or other school related functions, a minimum of two (2) weeks' notice will be given and said employee has the right to decline attendance. The current maximum sub rate will be paid for the time worked.

- a. Part time teachers will be required to attend the equivalent percent of Professional Development of their paid salary.

Example:

$$\frac{1}{2} \text{ time} = 180 \text{ school days} / 2 = 90 \text{ days}$$

$$\frac{1}{2} \text{ time} = 30 \text{ in-service hours} / 2 = 15 \text{ in-service hours}$$

or

$$60\% \text{ time} = 180 \text{ school days} \times 60\% = 108 \text{ days}$$

$$60\% \text{ time} = 30 \text{ in-service hours} \times 60\% = 18 \text{ in-service hours}$$

or

$$\frac{2}{5} \text{ time} = 180 \text{ school days} \times 40\% = 72 \text{ days}$$

$$\frac{2}{5} \text{ time} = 30 \text{ in-service hours} \times 40\% = 12 \text{ in-service hours}$$

5. Job Share Subbing

When a substitute is needed to fill a Job-Share teacher's daily assignment, and the 'partner' teacher is willing to fill that position, they will be paid at the rate of \$115 per day.

ARTICLE XX

MISCELLANEOUS PROVISIONS

2. Credits will be reimbursed at the rate of \$200 per graduate credit earned to a maximum of six (6) credits per employee per year.
3. The year for tuition reimbursement is defined as September – August annually.
4. Employees seeking reimbursement must furnish an official transcript and a copy of their planned program within 6 months of completion of the course to be eligible for reimbursement.

Application should be made to the President of REA and the Superintendent or his/her designee who will meet with the teacher and verify the need for reimbursement. If more than five teachers apply, seniority shall prevail.
4. For purposes of this agreement, it is understood that only the dollar amount of the step increment for 2004-05 is being deferred. Normal step advancement is not impacted. For example, a teacher on BA step # 4 in 2003-04, will advance to BA step #5 in 2004-05 and BA Step #6 in 2005-06.
5. Teachers, entitled to a step, shall receive a letter from the personnel office, which specifies the exact amount of the salary deferral. This letter will be filed in the teacher's personnel file. In addition, the Association will receive an annual and updated complete list of teachers who are owed reimbursement.
6. This agreement pertains only to the 2004-05 school year, and does not establish a precedent or binding practice.

7. This Letter of Agreement shall not expire until every teacher on the list is reimbursed.
