

SUPERINTENDENT UPDATES

November 21, 2022

Good evening,

Next Monday, November 28, at 6:30 PM, at the Rockford Public Schools administration building - 350 N. Main Street - I will be joined by two middle school counselors, a freshman center counselor, two high school counselors, and our district mental health liaison to discuss student mental health. There will be a short presentation on some of the issues facing our students and the mental health challenges that they present. There will also be a panel discussion on relevant topics concerning student mental health.

The team will bring their expertise and I will bring the cookies.

Please plan to join us if you can. Park in the front on Main Street or in the back parking lot. However, everyone needs to enter at the front of the building. I look forward to seeing you.

Steve
