

Why would you see a counselor?

Counselors can help you with **ACADEMIC PLANNING:**

- Choose courses for next year
- Determine proper classes for your interests and abilities
- Track graduation progress
- Change a schedule

Counselors can help you with **PERSONAL ISSUES:**

- Resolve a relationship issue
- Deal with thoughts or feelings that bother you
- Be a safe place to figure something out
- Listen to you
- Provide assistance in a crisis
- Help you deal with something difficult
- Work with you to help a friend

Counselors can help you with **CAREER AND EDUCATIONAL PLANNING:**

- Choose a career
- Find a college or trade school
- Take classes for your career path and the training you will need after high school
- Provide information on apprentice or military programs
- Go through the college application process

Are you taking the classes you need to graduate?
